1987 WARRIAN
WARWICK HIGH SCHOOL
301 WEST ORANGE STREET
LITITZ, PA 17543
VOLUME #31

Trudge Onward!

The many students of Warwick High School come and go home from school in several different ways. First, the majority of students' transportation is by way of the school buses. Second, the students who live close enough either walk to school, or, if they are lucky, they get a ride from their parents. However, probably the most popular way of coming to school is by getting a ride with friends or driving oneself to school. After arriving at school, students con-

gregate in front of the school or in the parking lot, talking as they wait for 7:50 A.M. to arrive. When finally the school day ends, students rush to their lockers and then to the front of the school to wait for a bus or to the parking lot to their cars. In whatever way one travels to and from school, one will always find intriguing and entertaining ways to compensate for the inevitable burden of traveling to school.

Walking home is not nearly as bad as the walk to school.

Loading up the car for the ride home.

The trek to the school, after the bell rings.

Stepping onto the bus for another thrilling ride home.

Waiting to get on the bus.

CATCH THE SPIRIT

The week preceding Homecoming weekend was filled with unique and memorable days. Starting off the week was "Nerd Day." Students and teachers dressed up as typical unfashionable nerds. Tuesday was kicked off with "Red and Black" as its colors. Students wore red and black fashions to show their Wampum spirit. Look out Hollywood, here comes Warwick high! Stars of all varieties dropped in on Wednesday to show their originality as "Star

for a Day." International Day was held on Thursday when classmates wore clothing from around the world. Dress up and carnation day rounded out the week. Girls and guys wore their Sunday best on Friday as red, pink, and white carnations were delivered during homeroom to the sweethearts of the school. Spirit week was a truly great way to get everyone psyched for the fabulous upcoming weekend.

Heidi Gardner wears a tribal skirt from Kenya. She shows her spirit on international day.

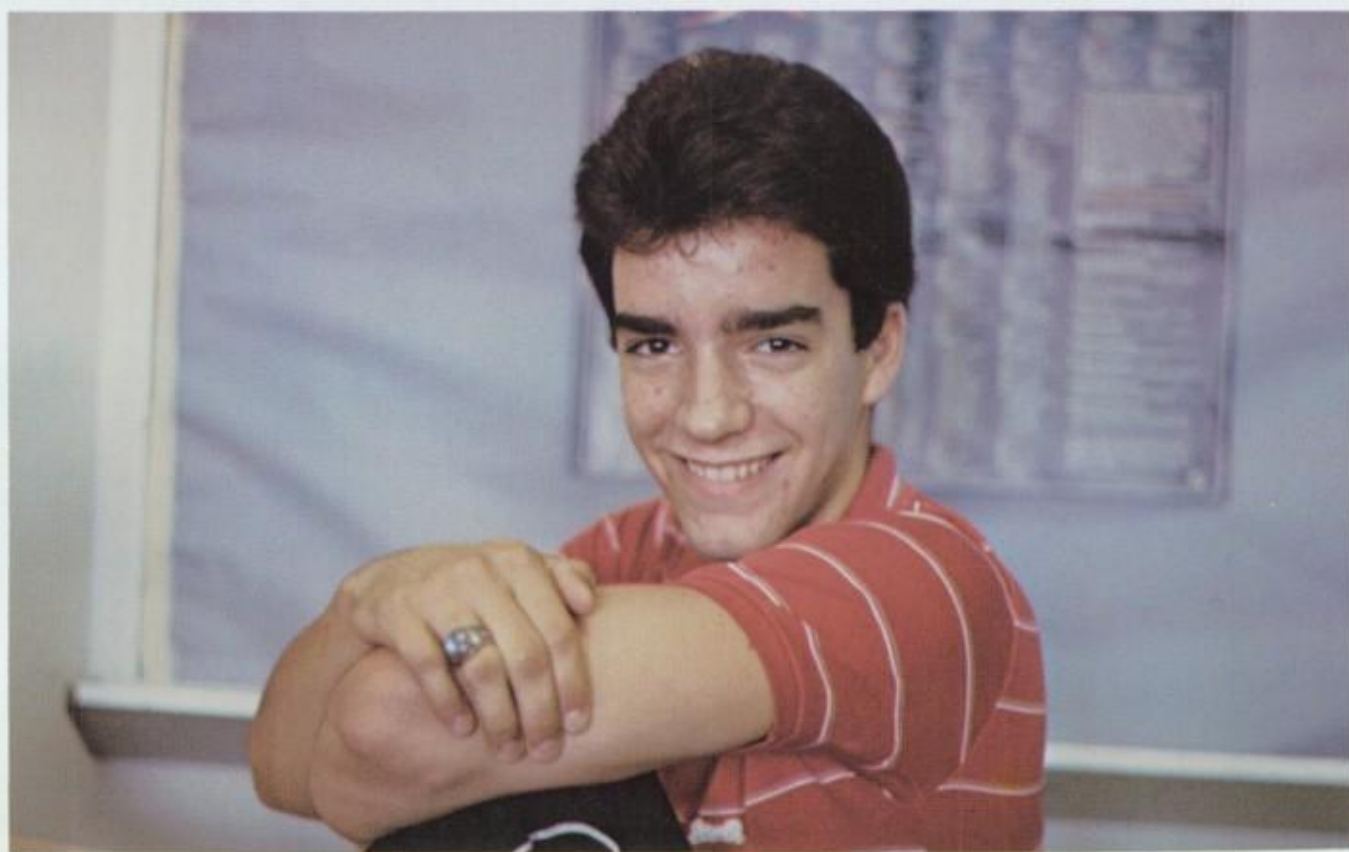

Greta Wilson is full of black and red spirit with her beautiful sweater and skirt.

Renae Weaver, a sweet "Minnie Mouse" with her little piece of cheese.

Jeni Meckley and Laurie Liebl are dressed to the tee on Dress up day.

Greg Bailey shows his whites on red and black spirit day.

Lounging around, Megan Wade shows her loyalty to Warwick with her red and black checkered flannel shirt.

Paul Rhineer wears a great black and red zipped jacket to show his Warrior Pride.

Big Deals On Wheels

Though the days of rumbling and dragging are gone, teenagers still like to show off their cars. In this feature are some Warwick students pictured with their pride and joy. Some are old and some are new, but all help these active students get where they're going.

Styles have changed many times through the years. In the late fifties, the fins became the new rage and was followed with the '57 Chevy. High school teeniboppers bought these up in the sixties, fixed them up and added radios to listen to the lat-

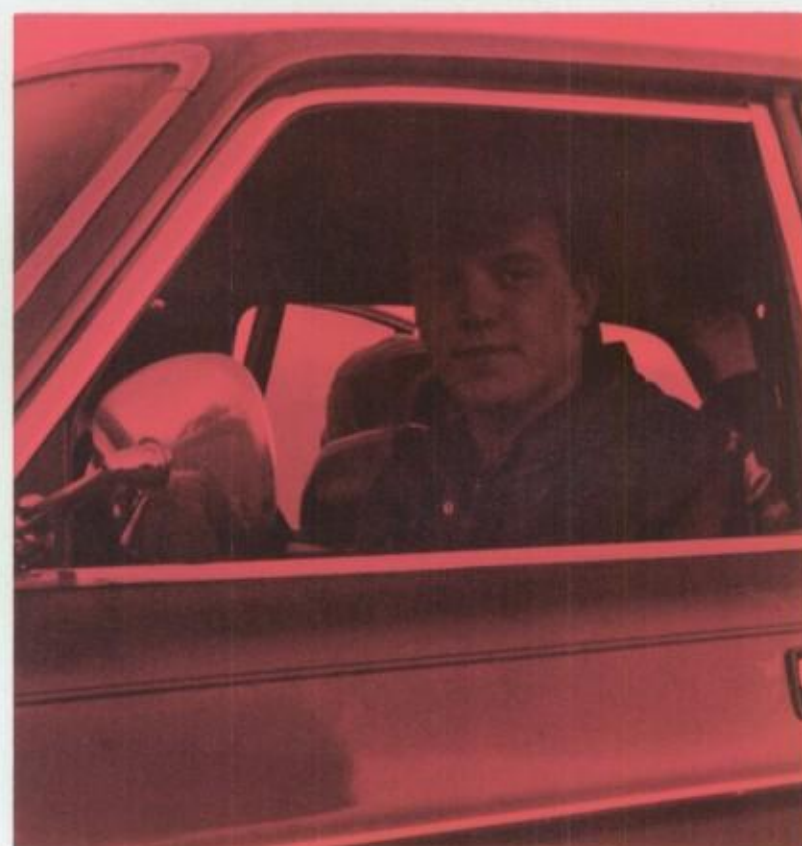

est craze, rock-n-roll. Next came the seventies, and with the seventies came the van. Many people hired artists to paint murals on the side. Today in the eighties, sports cars catch most everyone's eyes. Whether they're jacked up in the back or tiny, sleek convertibles, it seems as though it is every teenager's dream to own one.

Cars have certainly changed and will continue to. It seems Warwick High's keeping up with the times. So come on Warwick, let's see your bumpers!

Leanne Wachob drives in a scurry but hopefully not in a hurry, for her riders are not wearing their seat belts.

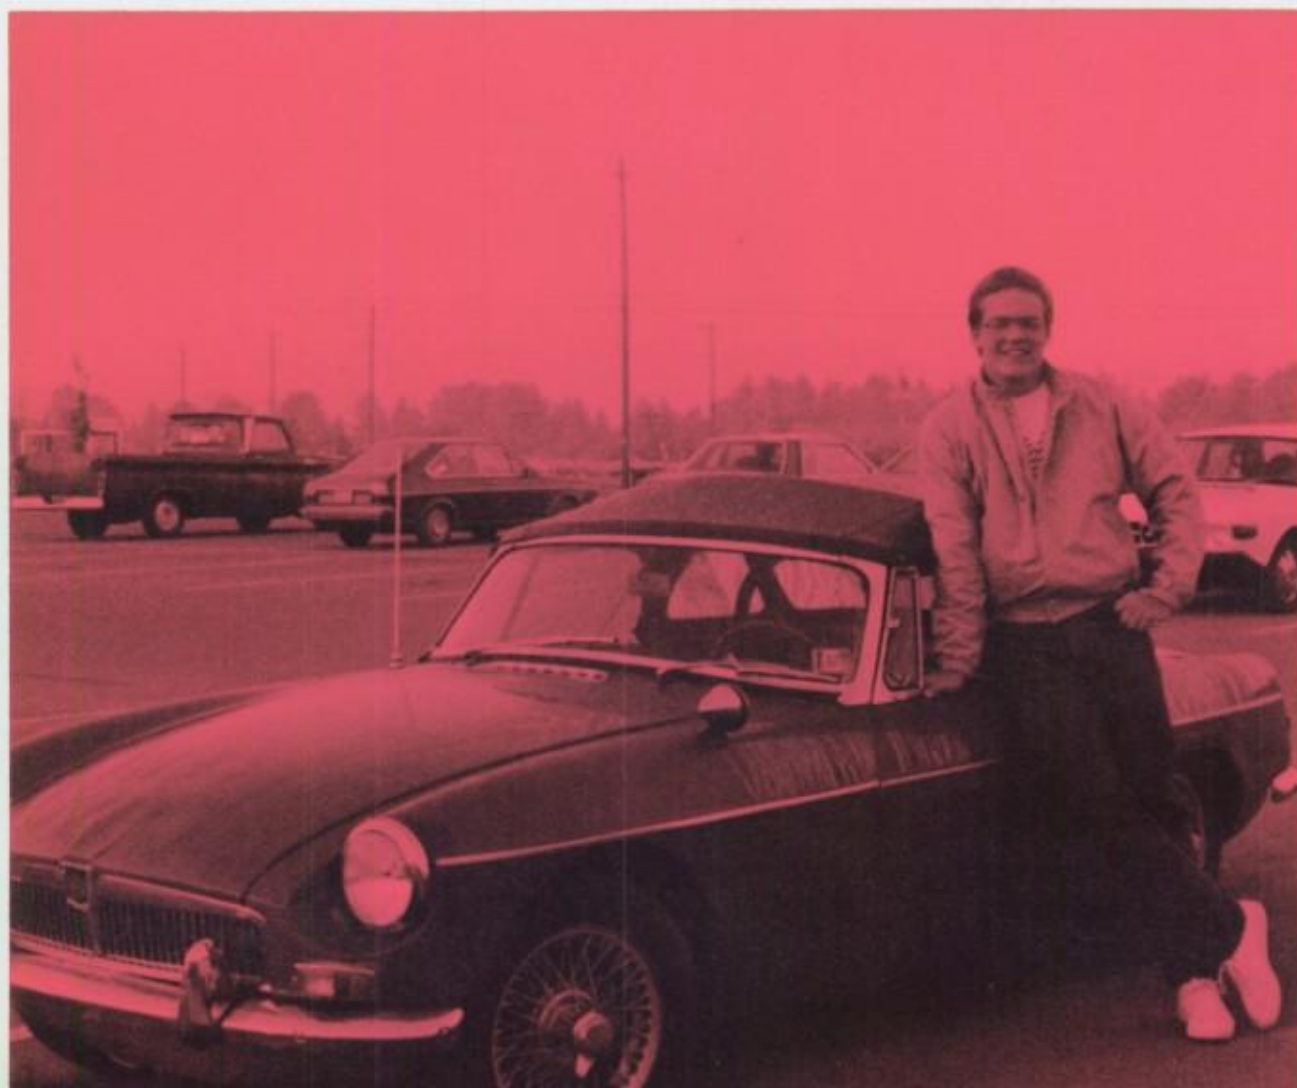

Eric Crabtree — driving is a necessity of life.

Derrek Freese poses with his Spitfire convertible as he shows his wheel and dealing moves.

John Sload and his sleek Mustang are a cute couple.

Mike Diffendall and his bright-eyed MG convertible are ones to watch during the school year.

CROWNING THE MOMENT

The Homecoming game at Grosh Field was a day for Warrior fans to rejoice. The win broke a three game losing streak. The performance by the football team was even hotter than the weather. The Warrior spirit was in high gear as the players took the field to tackle the Solanco Mules.

The defense was the star of the game as two of the three Warwick touchdowns came from the defense. The first score of the game came in the second quarter when Warrior defensive tackle Doug Joyce recovered a Solanco fumble in the endzone. The next score occurred in the fourth quarter when Buck Hartzell booted a 23 yard field goal. The score was now 10-0 in favor of Warwick. The next Warwick touchdown happened when Troy May hit Ray Shelley with a pass. Shelley was able to outrun the defense and score. The final Warwick score came when John Sload picked off a Solanco pass and ran it in from 25 yards out. The lone Solanco score oc-

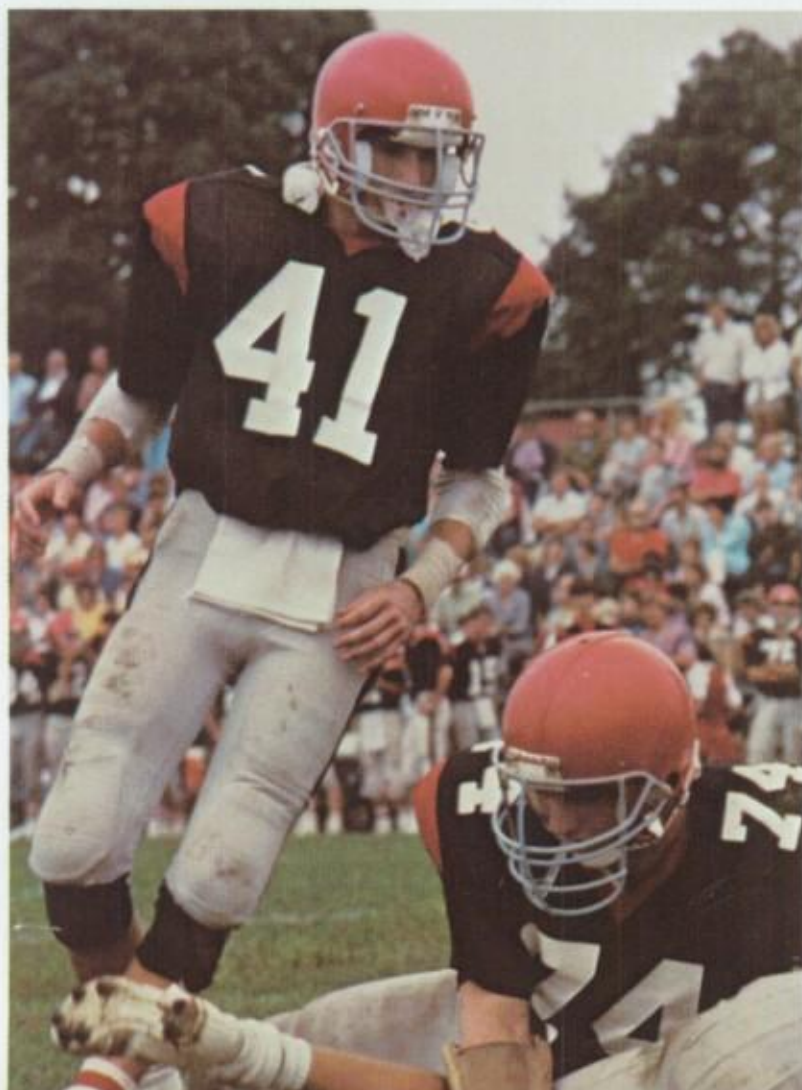

curred when Rich Miller caught a pass from Brian Rineer.

Halftime saw the crowning of Julie Turano, this year's Homecoming Queen, by returning Queen Toni Herr. Julie's escort was J.R. Zartman. First runner-up was Kim Buckwalter, who was escorted by Craig Shelley. Second runner-up was Connie King, who was escorted by Brad Zechman.

The other members of the Homecoming Court were: Debbie Beans, escorted by Dennis Hurd; Nicole Gochnaur, escorted by Jim Sherriff; Donna Groff, escorted by Matt Neff; Nicole Hilton, escorted by Keith Stauffer; Jenny McCreary, escorted by Greg McCreary; and Barb South, escorted by Mike Landis. Underclassmen included junior class representative Amy Nuss, escorted by Eric Arcudi; sophomore class representative Kim Harris, escorted by Will Harris; and freshman class representative Kerry Buckwalter, escorted by Justen Byler.

The football team shows great stamina and ability as they go down for a tackle.

Toni Herr proudly crowns the new 1986-87 Homecoming Queen, Julie Turano.

The beautiful candidates for Homecoming Queen pose with shining smiles as they wait patiently, yet nervously for the results.

The Warriors and the Mules line up for a psyching hut.

The Best team breaks onto the field.

HOLIDAY SPLENDOR

Homecoming's halftime celebration was awash with color as the band unveiled its newest equipment, the silver balls containing silks. The band did its show containing such Barry Manilow songs as "Who Needs to Dream" and "Man Wanted." The Holiday theme was evident in the class floats. The seniors placed fourth declaring "Everyday is a holiday when you're a Warrior!" The sophomores came in third with a "Fourth of July" celebration. The fresh-

men, who wanted to "Wrap up the Mules," came in second. The juniors placed first by "Conjuring up the Warrior Spirit." The dance that followed that night was filled with music and fun. The disc jockey played a variety of music ranging from such groups as Bon Jovi and Simple Minds. Balloons and streamers hung from the ceiling as couples danced beneath them. It was a fun-filled night for all.

A band front member giggles her way through a performance.

Nicole Hilton and Marc Kauffman dance to celebrate the Homecoming victory.

The seniors party along with Missy Styer, Nikki Brewer, Jeanine Lawrence, Heather Aument, and Jim Nagle on board.

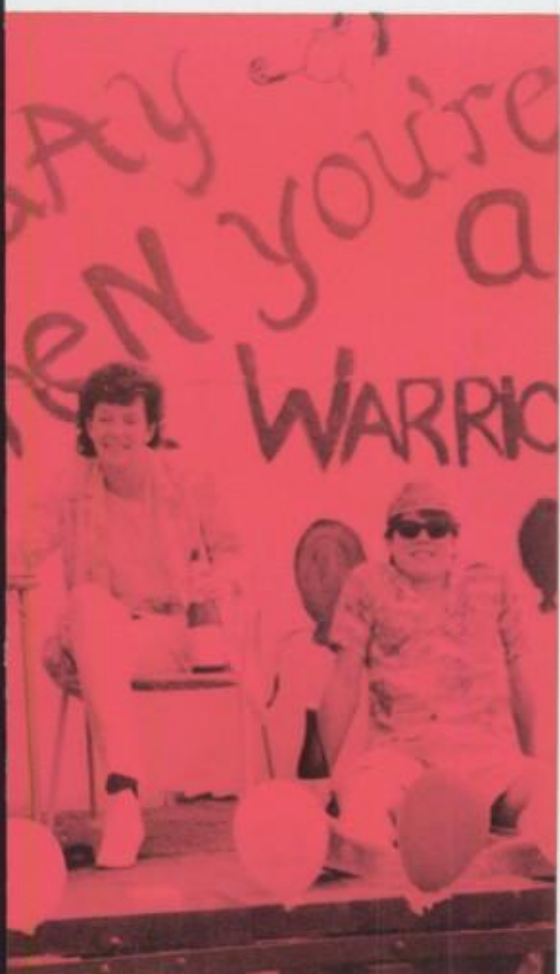

The junior float and first place winners show us witches and warlocks in their brew of characters.

The freshmen float has a merry time as they "Ho, ho, ho" their way along.

Wendi Hutchinson is the sophomores' mule. Their float blasted us all away.

Trumpet players show their accomplishments as they entertain the excited fans.

ONE FOOT FORWARD

Definition: Shoe (shu) 1. An outer covering, usually of leather, for a person's foot.

Everyone has a different kind of shoe. Some are big; some are small. They all vary with the type of person who wears them. With each new person comes a different style, size, shape and color.

Shoes — a near necessity to mankind; but as to what shape, color, or style of this foot covering — it's up to you!

The variety of shoe types or styles is unbelievable: there are tennis shoes, track shoes, dress shoes, high heels, high tops, laced, slip-ons, boots, moccasins, loafers, pumps, slippers, sand shoes, cut-outs and on

and on.

The description of shoes is endless: comfortable, tight, colorful, large, small, square, round, leather, plastic, cloth, etc.

The brands of shoes are many to choose from: Reebok, Nike, Johnston & Murphy, Naturalizer, Hush Puppies, Arrow, Florsheim, Buster Brown, Pappagallo, Clinic — to name a few.

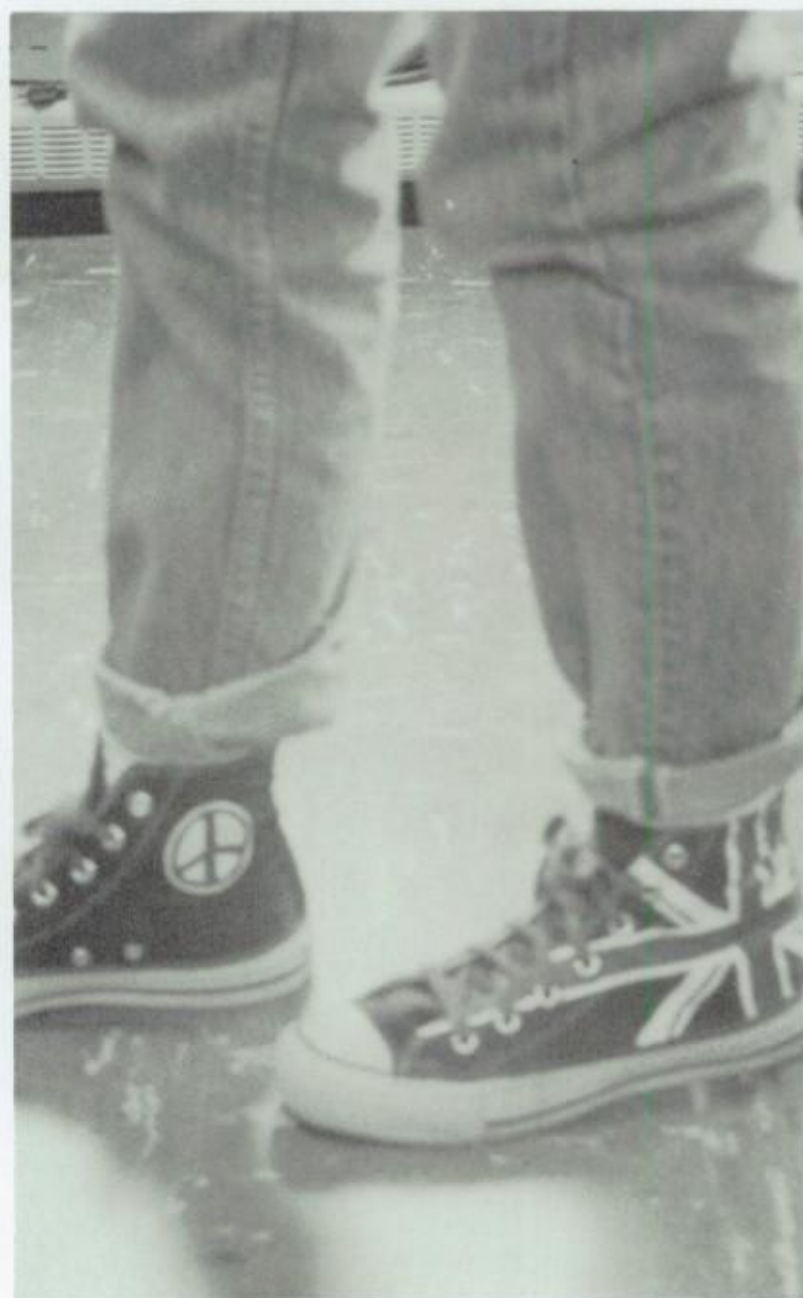

Our shoes may say: Made in USA, Made in Italy, Made in Mexico, Made in Hong Kong, Made in China, Made in England, Made in Taiwan or somewhere else.

Whatever you do with your feet in your choice of shoes: PUT YOUR BEST FOOT FORWARD!

Strutting their stuff, this high-laced boot comes in many colors and designs. The flat-laced shoe looks comfortable and a potential new trend-maker.

The Britain-look of a high top.

Shoes, Shoes, Shoes!

Friendly shoes get together. A "Reebok", two dress shoes and a pair of fashionable boots.

The shiny black twins. This style of shoe has become vastly popular in the school halls.

The decorative tennis shoe is unusual and unique. Renae Weaver's laced shoes are conservative yet seen and worn by many.

WARRIOR PRIDE

Over the years of school, some seniors have shown exceptional qualities in certain areas.

These students have earned the honor of their titles. They were chosen by polling their senior classmates.

Hopefully these students will use their talents, gifts and creative abilities for the benefit of mankind today and tomorrow. The class of 87 is filled with talented, beautiful, gifted people; the listed are just a few.

The editor's choice for Class Clown is Eugene DeLong.

1987 Best Dancers are Jamie Weachter and Nicole Hilton.

Dressing great and sophisticated is what Heather Thompson and Brad Zechman do best.

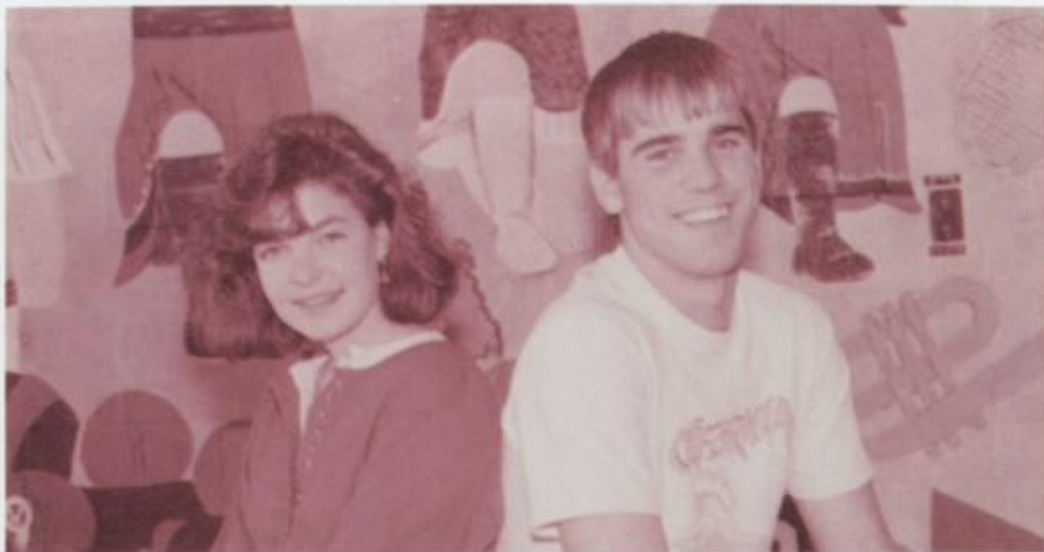

The Best Leaders of the graduating class are Julie Turano and Pete Marks.

The ones with the Best Smile are Keith Stauffer and Alison Bradley.

Veronica Denlinger and Chris Knight are the seniors with the Neatest and Most Unique Eyes.

Troy May and Lauren Loercher are the Most Spirited seniors who show their supportive personalities with their warm smiles.

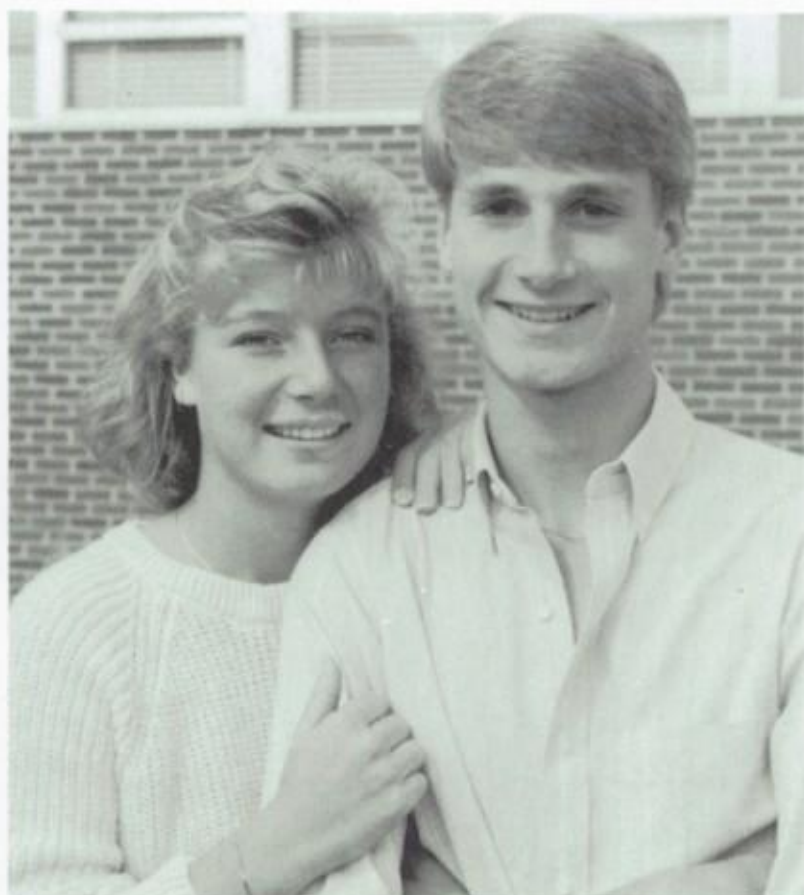

Most Artistic are Chris Mason and Jill Althouse.

The Most Musical duo are Jill Downing and Ken Burkholder.

The Cutest of the crew are Keith Stauffer and Connie King.

The Class Sweethearts are John Sload and Jenny McCreary

The Friendliest of the senior Warriors are darling Kim Buckwalter and charming Mark Reedy.

The Athletes with many sporting interests are Tom Eberly and Kim Kometa.

The Smartest ones with the biggest books are John Kurtz and Valerie Kerstetter.

Most Likely To Succeed are Jill Althouse and Pete Marks.

Activities

FORCE Enforces No Drugs

FORCE, which stands for Freedom to Overcome and Reject a Chemical Environment, is a group of students who are committed to a drug-free lifestyle. FORCE members practice and promote this philosophy by serving as positive role models for their peers and by working directly with the students of the school district.

This year, with the leadership of President Elissa Long and Vice President Cathy Hevener, several FORCE students attended drug abuse workshops and participated in the national "Just Say No" campaign, which is designed to help students learn to reject drugs at an early age.

The Lititz Jaycees recognized FORCE's contributions to the community by presenting them with the Distinguished Service Award in January.

The FFA was involved in many activities throughout the year. In the fall we had a citrus and cider sale. Also in the spring we had a Donkey Basketball game against the teachers. In the spring we held a parent membership banquet to elect new officers for the chapter for 1987-88 school year and gave out awards to those who earned them.

FFA Members 11 & 12 — Dennis Bair, Phil Beiter, John Byrne, Charles Daughton, Eric Connelly, Kevin Fry, Dale Kreider, Gina Montes, and Kerri Misenko.

FFA Members 9 & 10 — Dave Arter, Nate Connelly, Barry Layton, Ben Mellinger, Dean Shelley, Paul Spangler, Alison Farrington, Robert Greenawalt, Jim Kelley, Jake Long, Tom Pasker, Allan Shazer, and Scott Fisher.

Government Leaders of Warwick

Student Government has been very hard at work organizing many activities throughout the school year. Some of these activities were the Homecoming Festivities, the Christmas and Valentines Dances, the New Students Tea, and many various fund raisers. Along with these activities the members also prepared for the Talent Show, Senior Citizens Tea, and the opening of a school store. One of the bigger projects this year was a community service in which the members worked on ideas and projects for the opening of a new Lititz Community Center.

Student Government 11 & 12 — Kim Buckwalter, Maura Rowlands, Liz Heckles, Barb Trayer, Amy Herr, Pam Kammerer, Lorie Kline, Michelle Levering, Sheri Styer, Deb McCowan, Darin Brinkman, Alyssa Deibler, Denise Heisey, Keith Morris, Rob Schroeder, Becky Sommer, Jenny Swan, Amber Strauss, Heidi Gardner, and Alec Frick.

Creative Penmanship

The Warwick Literary Magazine strives each year to assemble a publication of the best writings and artwork of the student body. Over the past four years, the magazine has greatly improved. We thank our classmates for their participation and Mrs. Campagna for her patience and guidance.

Literary Magazine — April Amand, John Bushong, David Fritz, Chris Garrett, Niki Gochbauer, Krystal Hibshman, Debbie Klaassen, Michelle Kline, Heather McCloud, Stacy Montes, Tracey Montes, Beth Moran, Robin Reynolds, Tracey Reynolds, Diane Roberts, Michelle Ross, Dawn Stauffer, Becky Sommer, Stephanie Hess, Chad Miller, Kirsten Snyder, Jon Hess, Heather Ruth, Chris Mason, Jenny Grosh, Heather Graeber, Cathy Brown.

Newspaper Members — Amy Andrew, Jennifer Anonia, Heather Crownover, Ruthann Donnerstag, Jennifer Graeber, Sara Gruber, Jennifer Halls, Angela Heffner, Jill Ivey, Heather Jenkins, Heidi Lefever, Heather Logan, Janene Lysterly, Alice Price, Hollie Schmidt, Daryl Snavely, Eva Weber, Grettel Wentling, Norence Pontz, and Julie Willier.

Extra! Extra!

The "Smoke Signals" staff meets every week to produce a newspaper for the student body. This year their goal has been to publish three papers.

The staff members meet to discuss and assign story topics. The editors (news, social, and sports) help by proofreading each article. After the writing process is completed, the stories are typed and sent to the publisher. The publisher returns the articles in a column format, and the staff positions the articles on a sample newspaper page. The company returns a finished paper in four to five weeks.

Besides writing stories, the "Smoke Signals" staff takes photographs and collects advertisements for the paper. All Warwick students are encouraged to contribute editorials for publication.

AIASA: Industry Leaders To Be

1986-87 OFFICERS

President — Dana Martin
Vice President — Marc Berry
Secretary — Chad Morgan
Treasurer — Eric Young
Reporter — Dave Yutz
Sergeant-At-Arms — Mark May

Overall the 1986-87 year was a productive one. Students of AIASA competed in regional and state competitions. Warwick was well represented at these conferences. Today's students of AIASA are tomorrow's leaders of industry.

AIASA Members — Aaron Adams, Brian Anderson, Mike Bedi, Duane Bushong, Chris Conlin, Jason Douple, Chad Geist, Mike Hagel, Joe Harple, David Holsinger, Curt Knepper, Jerimy Kroeck, Joe Lieble, Mark May, Loren Pawling, Alex Schouten, Jason Sener, Eric Sollenberger, Todd Stokes, Randall Hess, Todd Hoffer, Michelle Canady, and Drew Eckert.

Living Color

Enter Warrior Territory, that is what the Warrior Staff did to make this years yearbook interesting and memorable. The staff consisted of 25 members. Through their efforts, they produced four color pages. Hard work and determination were demonstrated by the members who were led by Co-editors Judy Garner and Nell Amidon. Long and dedicated hours were exercised by the whole staff to meet the May publishing date again this year. With the maternity leave of the yearbook advisor Mrs. Witmyer, the staff had to work even harder to achieve their goals and deadlines. The staff appreciated the help from all the teachers and students and the administration who cooperated. Special attention should be given to Terry, our Heisey Studio's contract photographer and Al Oussoren, the Herff Jones Yearbook representative. The staff hopes all seniors and underclassmen can enjoy this yearbook in years to come and that it may bring back warm and joyous memories.

Different Day — Different Time

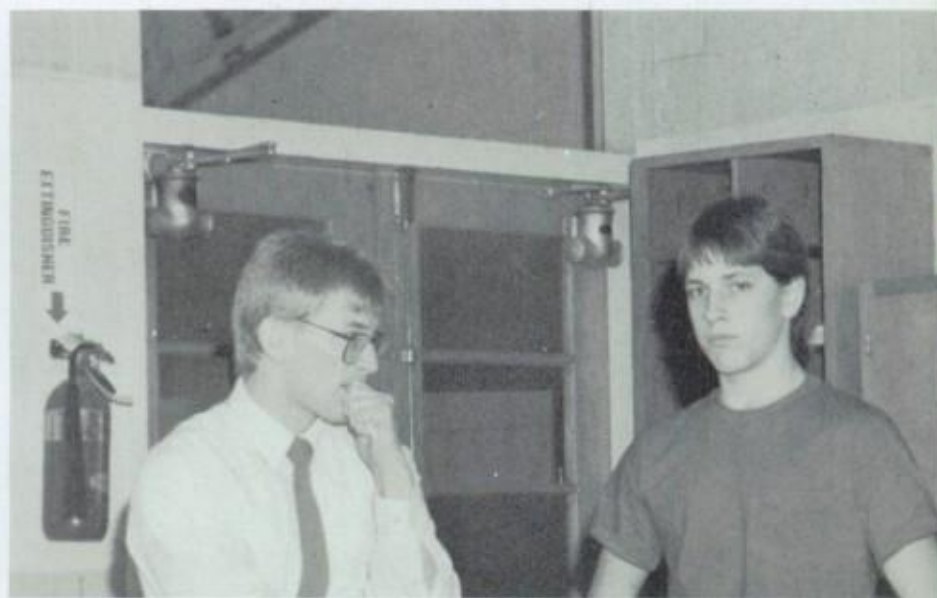

The Warwick High School offers its students a wide variety of clubs. These clubs cover a vast range of interest, including chess club — for those who enjoy a strategic challenge; sports club — for the active youth; and of course study halls which enable students to take a break from the hectic day. Some clubs in the curriculum are active in the school and community. FORCE helps to keep drugs and alcohol out of the school; student government acts as a liaison between the student body and the administration. The class officers raise money for their class and occasionally set up dances and activities. These are just a few of the clubs that are dedicated to helping the school and community. This year, clubs have a new schedule in the school week. They are held every Tuesday at the end of the day instead of mid-day every Wednesday, which was the previous meeting time. Clubs serve an important purpose to the school and the student body. They are great recreation for the students and also benefit the school in many ways.

Joe Liebl and Dana Martin are having a discussion on the business at hand in AIASA club.

Roger Shay and Eric Frey work together on the variograph in graphic arts.

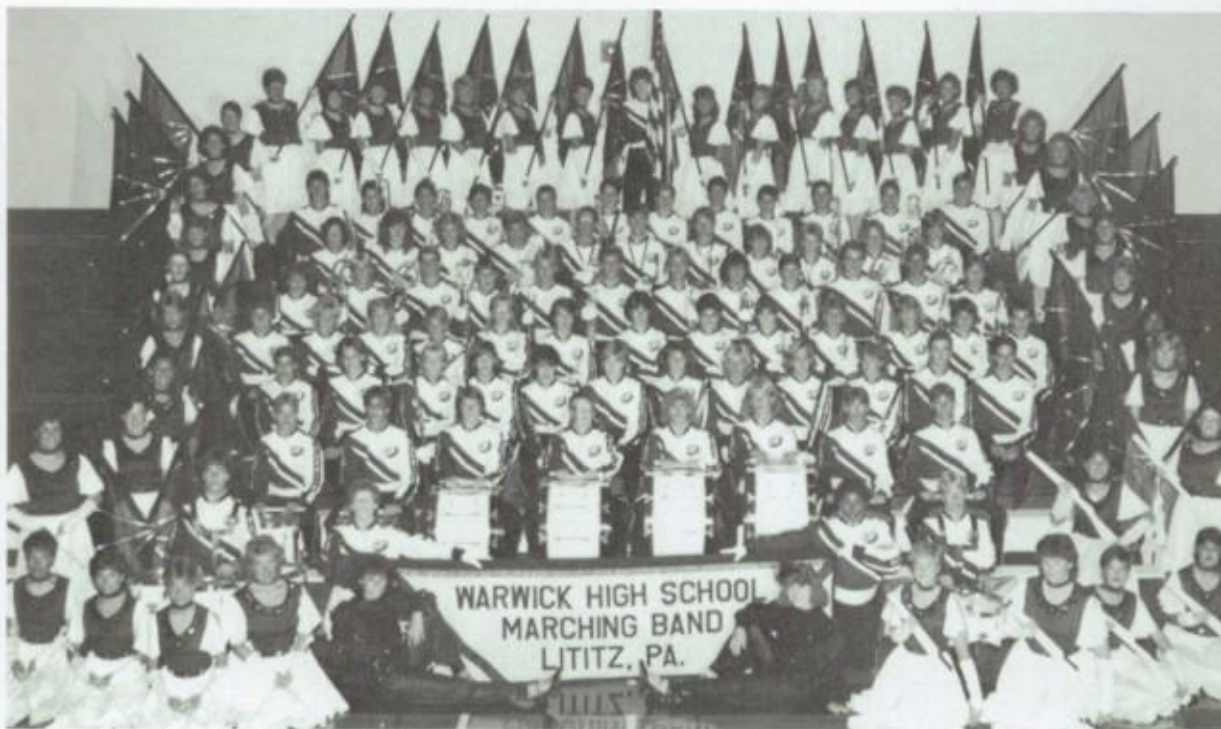

Whooo's your friend Charlie Daughton?

Marching On With "Copacabana"

This season proved overall successful for the band. The show concept and drill design were developed by Steve and Bobbi McMillan. Musical selections included "Get Me to the Opera on Time", from the movie *Foul Play* and several Barry Manilow songs from the movie *Copacabana*. The 1986 student officers of the Warwick Band were Ken Burkholder, President; Chris Nagle, and Pete Ringer, Vice Presidents; and Melissa Yelagotes, Secretary. Serving as Drum Majors were Stephanie Keebler and Lisa Weidman. The band enjoyed an exciting and fulfilling year and is wished the best for next year.

Sing The Tune Of Dignity

Glee Club is not just a club or a class. Glee club is a way of life. Every morning before school begins many students are found gathered around the door of the choral room. Many times these people are there waiting for an early morning rehearsal, but often they are just there because that is where friends meet. This year Glee club started for many of us in July so that we could learn the music chosen for county chorus and district chorus try-outs. At the time it was a real struggle, but the work and dedication paid off. Seventeen students were selected to participate in county chorus which will be held on February 28 at Manheim Township High School. Jill Downing was chosen to sing as one of the soloists at this festival. District chorus try-outs were also very successful for our Glee club stars and we placed seven lucky people in the district chorus festival to be held at Cen-

tral Dauphin on Feb. 5, 6 and 7.

Most of our fall semester was spent working on music for the annual Christmas concert. For the first time in many years we performed the Christmas choruses from Handel's *Messiah*. We were very fortunate to have Mr. David Xiques work with us to learn and to perform these numbers with polish. Our concert highlighted more than ten soloists. The concert was followed by a reception which was given by the Warwick Warblers parent support group. We were all pleased and proud of a major accomplishment.

As of this writing we are in the midst of many tasks which will become important to our group this semester. In January we sang for the worship at the Lititz Brethren Church. We are also planning to sing for the commu-

nity Good Friday service which will be held at a local church in town. Our spring concert will be held on April 21 and will again feature our chorus in many different arrangements for mens', womens', and mixed choruses. Members of the Glee Club make up the bulk of the cast of the spring musical. We will be working at a fast and furious pace to make our deadline of March 26. We have a wonderful cast and a brand new director so we are confident that we will fill the house to capacity, just like we did last year.

We have a new motto in Glee Club this year. It is dignity for ourselves. We have it and we want the student body to know that we are giving our all to making Glee Club the finest performing group that Warwick has seen.

District orchestra — Greg Bailey and Sonya Weber.

Staging The Town

The curtains began to open for the first night of Thornton Wilder's play, *Our Town*. The Warwick stage was full of excitement as thespians were preparing to perform this three act production. *Our Town* is an enriching and serious play. In the first act the audience is introduced to a small New England town with two neighbors, the Gibbs family and the Webb family. They are average families with everyday experiences. The Gibbs' have a handsome son, George; while the Webb's have a lovely daughter, Emily. In the second act, a love relationship unfolds between the two young people, and they get married. The third act is a finale in many aspects. It is based around a cemetery where some of the townspeople have been buried. Emily Webb Gibbs is a newcomer to the grave life and is hesitant about this new situation. Here, a conversation occurs between the non-living. The wise townspeople who have already passed away explain to Emily that death is a worthy place for a better understanding. All three acts are narrated by a knowledgeable, mature, and understanding stage manager. He helps the audience see the play in a realistic and heartwarming light. The dedicated and hardworking hours of the Warwick actors were paid off as their two nights of January 16 and 17 were both successful. The work of these performers can be highly credited to the new director, Ms. Sandra Couch, and the newly appointed stage crew manager, Steve Hoetzel.

The Webb family recess from their practicing to pose for a family portrait. Wally, the little prankster, sticks his tongue out to liven up the picture.

The Stage Manager stands in his usual casual position. He is ready to relate a story of a town and of people with feelings similar to those watching in the audience.

After many long nights of rehearsal, it is no wonder some of the actors try to get a quick snooze whenever possible.

Vo-Tech Students Make

There are many students at Warwick who have taken the initiative in choosing a career. Vo-tech can help students decide if the careers they choose are exactly what they would like to do in the future. Warwick students may attend Brownstown Vocational Technological School or Willow Street.

Beginning next year most students will attend vo-tech for the whole day instead of half a day, which is currently the schedule that is followed. This year, two students from Warwick attend vo-tech for the entire day.

Deciding on a career is a difficult decision, but with the help of vo-tech, students can get the experience that may be required to get a job they enjoy and that may benefit them in the future.

Julie Herr is really cooking now. This eleventh grader is working in the food trades.

Leanne Shertzer, a full day student at Brownstown Vo-tech school, is studying the art of Cosmetology. She is a senior.

Senior Brad Mearig is a Brownstown half-day student. He is demonstrating his welding techniques.

A Day Of It!

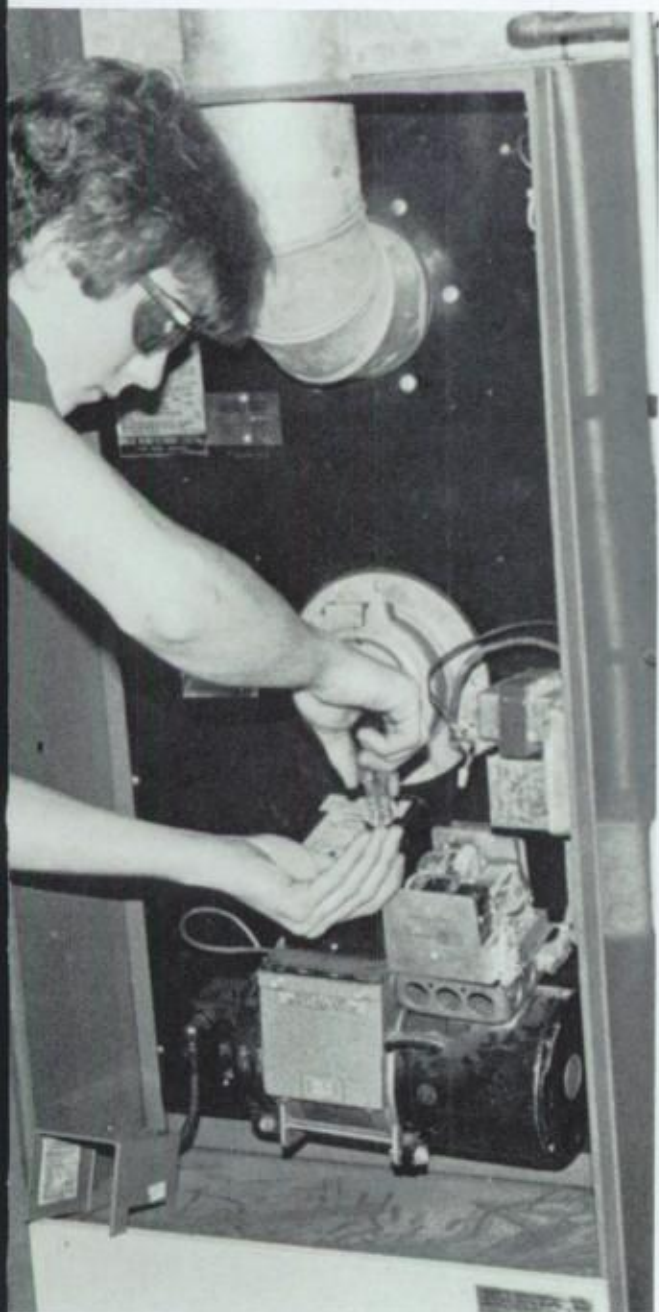

Ed Price, an energetic senior, and friend practice to heat the future with their heating and ventilation skills learned at Brownstown Vo-tech.

Bobby Fedor, a sophomore, intently studies the piece of wood that he plans to use to create a masterpiece.

Mike Hartman, Greg Whitcraft, and Matt Houston display their talents in Graphic Arts. They all attend Brownstown Vo-tech School.

Another full day student at Brownstown Vo-tech, Troy Hynicka, works diligently on a heating system.

New Zealander Visits Lititz

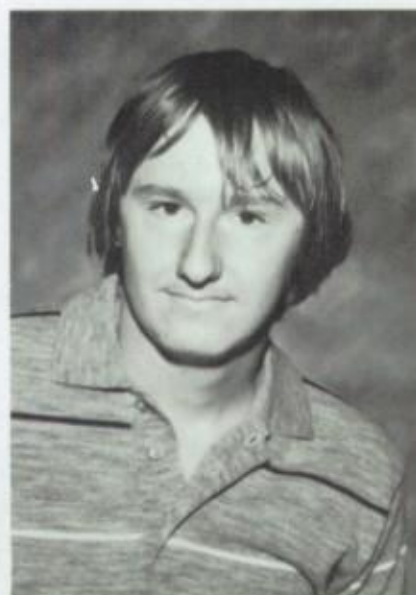

Glenda Patchett, a pretty redhead from New Zealand, is staying with Mr. and Mrs. Timothy Snyder of Lititz. She is with the AFS program and is enjoying her host family and host sisters, Kirsten and Brita Snyder. In New Zealand, Glenda's father is an engineer and her mother is a social worker for handicapped children. Glenda likes the bigger variety of shopping centers here, the beautiful countryside, and steak sandwiches. She doesn't like the cold weather and root beer. Some differences about home from America are driving on the left side of the road and wearing a uniform to school. One holiday that New Zealander's celebrate is Guy Fawkes Day on November fifth. On this day, friends and family make a straw man and burn it over a bonfire. Glenda likes all her courses at Warwick, and since her native language is English, she is not having trouble communicating. Glenda has many hobbies such as running, cricket, net ball, flute, sewing, and cooking. Glenda is now participating in Warwick's cross country and track teams.

Swiss Likes Lititz

Our EF student from Switzerland is Robert Beer, who is residing with Richard and Nellie Weik of Lititz. Robert likes the people of America and their attitudes. He doesn't like the American economic system and feels that the American mass media is misinformed of other country's economic systems. He feels that people are always in a hurry in America. The school systems are different in Switzerland from that of Warwick. In Switzerland a student goes to a six year school, then to one of four trade or business schools that relate to the student's interest and intelligence range. Robert says that Warwick offers more courses than in Switzerland and has a great sports program. Robert likes Pennsylvania Dutch food and doesn't like fast food restaurants. He says that Pennsylvania's countryside is similar to Switzerland's. Robert speaks four languages Swiss, German, French, English. English, Practical Economics, and Physical Education are Robert's favorite courses at Warwick because he either likes the subject or the teacher very much. Robert's hobbies are soccer, running, basketball, chess, socializing, and politics. In Robert's host family, there are no children living there anymore, or as Robert says "They have all flown out." "I'm enjoying my stay in America very much. Thanks to the teachers, the staff, and the students of Warwick for accepting me and for how I am making this a unique experience in my life."

W. German Student Skis And Sails

Kirsten Schaefer is a sixteen year old Warwick High School senior, visiting the United States from West Germany by way of the Educational Foundation for Foreign Study (EF). Kirsten is staying with Rachel Weidman and her family. While at Warwick, Kirsten has been a member of the high school band. Out of school, she enjoys snow skiing and sailing. During her stay in America, Kirsten plans to visit the New England states, Florida, and California. Abroad, she has vacationed in Sweden, Denmark, Norway, Austria, and France. Not only does she speak her native language, German, but she also knows English, Latin, and Italian. When asked about Warwick High School, Kirsten expressed that she likes the teachers; however, she thinks the school is strict. Kirsten also commented that she feels it is hard to get to know the people here, but she added that she has not noticed any "cliques" in our school. After she first arrived in the United States, she felt very homesick; fortunately, she eventually started to feel better about being here.

YFU Student Adds U.S. to Travels

Benjamin Lunau is a foreign exchange student from West Germany who is with the Youth For Understanding program. The sixteen year old junior is residing with Mr. and Mrs. Weiss. One of Ben's hobbies is playing the violin, which has enabled him to be a member of the high school orchestra. Ben has been to Canada on a camping trip and has also visited Denmark, Sweden, France, Italy, Finland, Norway, Ugoslavia, Switzerland, and Austria. Ben says that the school "is not too bad"; however, he likes the teachers, especially Mr. Pillion. When asked about the school work, Ben replied that it is pretty much easier here compared to West Germany. Ben lists as his hobbies and activities golf, horseback riding, both downhill and cross country skiing, playing pool, art, and reading.

Chile Brings Spicy Friend

Victor Manuel Valderrama is an AFS student from Chile. He is staying with the Charles Frick family. He finds school here much different than in Chile. In Chile, there are 12 classes a week, Monday through Friday. They have more homework and must wear uniforms. The biggest difference, however, is that school in Chile begins in March. During Victor's free time he likes to write letters to his family and friends, lift weights, and listen to music. Since coming to the United States, Victor has visited New York, Boston, Washington D.C., New Jersey, Connecticut, Maryland, and Delaware. He likes to play soccer and played on Warwick's varsity team. He also prefers American girls. For a vacation he would like to visit a lake, since he doesn't care for beaches. Some of his future plans include attending the University of Chile to become a doctor and then returning to the United States for added studies.

The Traveling West German

Anja Weck is visiting the United States by way of the Educational Foundation for Foreign Study and is residing with Mr. and Mrs. Simmers. Back in her homeland of West Germany she has two sisters, ages fifteen and twenty-two. During the weekends, she enjoys dances, movies, shopping, and being with friends. Since coming to America, Anja has visited Baltimore, Philadelphia, and Washington, D.C. Florida, Texas, California, and New York are other places she would like to see sometime. Back in Europe, she has visited Denmark, Spain, France, Switzerland, Austria, Romania, England, and Greece. When asked about differences between West Germany and the United States, Anja responded that she had much more free time at home in West Germany than she does here in Lititz. Anja expressed that at Warwick the students are very friendly, and the school work is easier here than it is at her school. Also, she responded that here at Warwick the teachers are less strict than they are in West Germany. However, she feels that the school in general is more strict. One example is the use of hall passes at Warwick. In the future, Anja plans to work at a travel agency or hotel and would eventually like to become a travel agent.

'Twas A Delight

It was the week before Christmas vacation and all through the school, busy little study elves were ready for a rest long due. December sixteenth was an exciting and entertaining day for seniors as they bundled up for a trip to the Fulton Opera House in Lancaster. Those seniors who wished to pay \$6.50, were on their way to a funfilled morning to watch **and participate** in the performance of *A Christmas Carol*. With their balcony seats, these jolly friends had a grand view of Scrooge and company. The production of this classic was triumphant and lovable. For the finale, the cast and audience had comments on the show. "The acting was excellent. Charles Dickens would have been proud." — Eugene DeLong. "I enjoyed it immensely. The staging was excellent." — Lisa Weidman. "I wished I had a better seat." — Judy Pahucki. "Fine adaption Dickens' *Christmas Carol*." — Pete Weachter. "It was alright, but it was better when I saw it two years ago at the Fulton." — Scott Weitzel. "It put me in the Christmas spirit." — Heather Auman.

- I, Lorie Kline, will my nose to Sean Kohler so his won't be brown in college.
- will my ambition to keep trying in tennis to Katie Koncle. will my skill to jump those moguls to Kelly Graybill.
- I, Richard Mellott, will my life from this day forth in the hands of R.L.S. "the prep."
will my posters, wind chimes, and the rest of my equipment to Rob Schroeder for him to use with tender love and care.
- I, Michelle Kepner, will a permanent seat in suspension to that trouble-maker, Jonna Kepner.
will all my wonderful "on the thing" experiences in D.O. class to Tracy Kepner.
- I, Sherry Kreiser, will all of my Mickey Mouse things and everything I have that's purple to "Jolly Jenny" Eckert.
will a real personality to Kevin Hevener so he can hold an intelligent conversation.
- I, Brian Hoerner, will my throne as king to "Dude", but remember, "Voltron" still lives.
will my great burping ability to Sherry Rissinger.
will a thank you to Denise Heisey for some of the best times of my life.
- I, Troy Peters, will all of our loud AC/DC and wonder town trips to Randy (Bjorn) Hess — keep the tradition alive!
- I, Sean Kohler, will my 2X4's, my 57 Chevy, and the strongest rope possible to any adventuring MALE underclassman. Good Luck!
- I, Michelle Ross, will the seat next to the door in Glee Club to Melodie Stine.
will a great senior year to Michele Oehme and Chris Nagle.
- We, Michelle Ross and Jill Downing, will a u-haul to carry all their equipment to the practice field to the majorette squad.
- I, Scott Weitzel, will all the white mini-skirts he can find to my good friend Chris R.
will a new wig to Greg C.
- I, Troy Wentling, will a better junior and senior year to my sister.
will my Jeep to Boomer.
- I, Bill Worthington, will all my suspensions to Alex Schouten.
will my reputation to Ken Zeyak.
will my excitement to the class of 1990.
- I, Joey Weaver, will a brain and some personality to Shawn.
will the friendship we all shared and the strength to put up with each other to T-ball, Marianne, Stacy, and Heather.
will my weight to Mark.
- I, Tracy Foltz, will all my business skills to Sabrena Herr — may she use them well. (I also will her all my snibbles from my stenopads.)
will a new folder partner to Heather Crownover — may she blend well with her.
will all my driving abilities, the bravery it takes to pull out in front of buses, and the patience to deal with those who are not brave to Wendi Hutchinson.
- I, Matt Houston, will my superior driving ability and my sympathy if she doesn't use it correctly to Janelle Miller.
will my boxing ability to Dain Horning. What little I have, he can certainly use.
- I, Julie Turano, will a super junior year to my brother Ted.
will an "A" in Computer Math II to Kim Harris.
will to Mr. Blose good luck with the new senior officers.

Friends are

Everyone has a special friend they like to pal around with — someone who will listen to the many problems of life or someone who will give the best advice possible and won't expect anything in return. — There are millions of qualities that a person might look for in a best friend, these just happen to be a few.

The best friends that are pictured here are a few of the many who can put their trust in each other. All those untold stories

are safe within their best friends' minds. They know that when someone needs to be trusted, it's going to be their best friend they go to first. Sometimes their best friends know when he or she needs someone to talk to or has a problem just by being around them.

No matter how long you've been friends the friendship never seems to get old. Doing the same things over, friendships never get old, they just get better.

Tripping

The History Club trip to Philadelphia took place on November 10, 1986 and lasted from approximately 8:30 a.m. until about 9:00 p.m. On the way to Philadelphia, the group stopped at McDonald's for breakfast. The next stop was made when they reached the center of Philadelphia. While there, they visited the Franklin Institute and the Mint. Both of these places were fun and educational. After taking a tour through the Mint, the group moved on to its next stop — the Liberty Bell. There they were informed about its history and how it eventually became cracked. Next, the group traveled to the Independence Hall. Although some people chose to go inside, others decided to take a carriage ride around a small portion of the city. During

this ride, the driver told them about some of the events that had taken place in Philadelphia, some important sites in the city, and some facts about those sites. The group went to a place called the Gallery, which is a shopping center similar to Clover and The Park at Park City in Lancaster. After eating lunch there, they headed over to John Wanamaker's, the first department store in America. They then began the journey home. On the way, they stopped at King of Prussia, where they could go into any of the various stores or restaurants. Of course, while they were there, they ate dinner. The final leg of the journey was completed and an exhausted History Club arrived home after a very fun and worthwhile trip.

Warrior H Invades Tioga

On October 7, 1986, the Warwick High School History Club took its fifth trip to Tioga County. They left the school around 6:30 AM. and returned around 9:30 PM. The first place they visited was Bucknell University. They also visited historical sites in Sunbury, Lewisburg, Blossburg, Williamsport, and Wellsboro. The cost of the trip was \$17.00 which included breakfast at McDonalds. The best part of the trip was the Little Grand Canyon. Since it was fall, the leaves were changing colors and the air

Story Club aga County

was cool. After the long journey down the canyon, they took a break before starting back up. During the break, some crossed the creek, some got halfway across and went downstream on their backs, and others laughed at the ones in the creek. The hike up the canyon was worse than going down since it was all uphill, but all survived the long trek upward. All in all, they had lots of fun and learned more about our state as well.

Popular Fashion

Sweatshirts and more sweatshirts! While walking down the halls of Warwick, take a close look at the different types of clothing the students are wearing. One of the most popular items of clothing are sweatshirts. When asking students why sweatshirts are so popular, we found that the most common rea-

To Eat To

Contrary to popular belief, our school cafeteria does offer a wide variety of hot, nutritious meals. Some of the most popular lunches include subs, spaghetti, chicken corn soup with chicken salad or peanut butter and marshmallow sandwiches, italian steaks, salad bar, and tacos. Much to everyone's surprise (hah! hah!), the hot dog was voted most likely to meet the garbage disposal. Besides eating the cafeteria's food, the high school has been so ever thankfully endowed with four servomation machines. These include two ice cream, one soda, and one milk and juice machines. They provide students with something to hold them over when lunch money is forgotten or the cafeteria's food just isn't appealing. The food is good for more than just eating. The Warwick Weiner holds the record among area schools for bouncing the farthest. It has also been reported that mashed potatoes, applesauce, and butter stick quite well to the underside of tables. And speaking of tables, if some poor, un-

Or Not Eat

fortunate and unknowing student should happen to choose the right seat, they'll be in for the ride of their life. Scattered throughout our cafeteria are various "bouncy seats." Every move a student makes while sitting on one of these particular seats will cause them to bounce five feet in the air. But these are some negative aspects of our lunch room. The positive factors greatly out-weigh the bad. Our cafeteria is used for many things. Study halls, senior lounge, dances, concession stands, and a place where students can stay out of the cold and socialize in the morning are just a few. Our cafeteria is also bright and cheerful. The many windows and the painted wall provides a relaxed lunchtime atmosphere to help students forget their classes for a short time. So don't always put down our cafeteria. Instead, stick up for it because a few years down the road, the food, the people, and the atmosphere will bring one a lot of good memories.

Babies, Babies, Babies!

Why does everyone love babies? Is it because they're so tiny and perfect, or is it because they're so cute and playful? No matter what the reason, a baby is a popular person. Look at these babies. Can you guess who they are? About 15 years ago these babies were just beginning on their long trek through life. They were still in diapers, still relying on people to feed them, and still learning how to walk. Over the years they have grown, not just physically grown, but mentally. Now they are almost at the top of the ladder, the goal they have been waiting for — adulthood. This is just a little wish to say, that we hope your future is bright, happy, and filled with all the best. May other generations yet to come turn out as well as you.

Warwick soccer finished another exciting season with a league record of 8 wins, 3 losses, and 1 tie. Hard work and concentration enabled them to claim second place in Section III. After a hard struggle in the Quarter-final League Playoffs, Elco defeated Warwick with a score of 3-1. In the District Qualifying Game, Warwick put out a great effort, but McCaskey came out on top with a score of 3-2. The following is a list of seniors who are greatly appreciated for their contribution toward the success of the soccer team: Pete Weachter, Mark Reedy, Victor Valderrama, Robert Beer, Paul Trefny, Scott Rogers, and Mike Bleacher. The leading scorer for Warwick this year was Victor Valderrama with 10 goals, 6 assists, and an overall of 16 points. Warwick had four players selected to the All-Star Team; they were Mark Reedy, Robert Beer, Eric Flickinger, and Pete Weachter (Honorable Mention).

Warwick JV Soccer completed a very fulfilling season this year. They had a league record of 9 wins, 0 losses, and 1 tie. They should also be very proud of winning the title of Section Champions. The team is gradually improving and growing with every season. Good luck with your accomplishments next year!

Field Talent

The 1986 edition of Warwick Field Hockey consisted of a wealth of talented seniors. The seniors of the 1986 team are probably one of the most gifted group of seniors that have ever graduated from Warwick. Placing 5 girls on the Lancaster — Lebanon all-star team was definite proof. If that doesn't impress you, I might add that they were the most recruited. Warwick has developed into a strong hold of field hockey. The 1986 seniors have continued in this tradition and have laid the ground work for future teams to follow. For those who watched the 1986 team in action, the one comment that came up repeatedly by parents and coaches throughout the county was what a "beautiful" game they played. They made Warwick hockey enjoyable and exciting to watch.

The best way to sum up the 1986 season is: "NOBODY CAN PLAY THE CALIBER OF HOCKEY LIKE WARWICK CAN."

Helmets off to

The 1986-87 football team faced a difficult season, but these "hunch men" put up their best effort. The team was led by 19 seniors, 24 juniors, and 14 sophomores. If you were one of the fans that came out to support the team this year, you saw the effort and ability each member of the team put forth. No one put themselves first; they put the team first. This year saw a new coach take over the rankings as Coach Snyder passed on his job to Gary Fuhrman. Here are some of his comments. "The '86 Warriors record of 3-6-1 was not indicative of the excitement or effort they brought to Warwick football. Fighting back from adversity and never giving up were traits of the team. Coming back and tying District runner up Elizabethtown in the closing minutes was as exciting a game as any Warwick football team has ever played. The seniors are commended for their willingness to go in new directions. Warriors, always believe in yourselves and remember, 'You're never more than one play away! Believe, Warriors, Believe!!' "

Seniors Dominate Season

The girls tennis team had a successful season with a 7-2 league record and a 10-5 overall record. They had a veteran team with four seniors in the top five. They also had a chance at the section title, but they were defeated by E-Town. They finished second in the league. The team was relatively injury-free this season, which helped them to improve on last year's record. The team will lose a lot of players this year, so they will have to work harder next year.

County Meet — 3rd in league
Districts — 14th
Overall record of 14-5

The Cross Country team had a very impressive season this year, with an overall record of 14-5. The Warriors were led by their seniors; senior captains — Chris Burns and Scott Weitzel. The Harriers, with the help of Coach Matt McCarthy, got off to an 11-0 season before losing their first meet. Mike Henderson, Mark Walters, and Mike McCloud were very important in compiling this fine record. The team capped off the season with a third place finish in the County meet.

The Warwick Golf team had a good season, finishing up third in the section, with a 4-6 league record, 5-11 overall. Warwick can look forward to some winning seasons as there are 11 first year players. Five starters will return, including the top two players, Steve Keener and Charlie Schroeder. Charlie Schroeder qualified for the District III tournament and made a very good showing. Warwick played its best match against Cocalico in which they outscored them by 47 points. Varsity letter winners were Ron Bowman, senior; Steve Keener and Chris Martin, juniors; Jeff Hibshman and Andy Gehman, sophomores; and Charlie Schroeder, freshman. Congratulations to the Golf team on a good season, and good luck next fall.

This year's basketball team was an all-around BIG success. As captains, Troy May and Tom Eberly added a great deal of power and leadership to the team. Warwick's overall record for the season was 22-1. The boys had a very impressive season this year. When Warwick had won the Section title for the first and second half of the season, we were picked to go up against Township for the L-L League Championship. It was a tough game, but Warwick came out on top with a dunk by Jack Hurd in the last 8 seconds of the game to add more to the excitement and celebration of the win. Entering Districts, Warwick faced some very tough teams and strategies. The top 4 seeded teams going into districts were: (1) Harrisburg, (2) Carlisle, (3) Wilson, (4) Warwick. Warwick's first hurdle was to play up against Waynesboro on Feb. 24. Warwick Boys overpowered them by winning with a score of 60-52. The second hurdle was playing against Mechanicsburg. On Feb. 28, Warwick outwitted them scoring 49 to 37. This win meant a lot to the Warriors, especially being moved from Triple A to Quad A. It was a great privilege, but it also meant going into competition with some pretty tough and fast teams. March 4, was the biggest test of all. Warwick had to compete with Harrisburg, the top seeded team in Districts, and the No. 1 team in the state. Warwick put up a big fight and tough defense, but Harrisburg remained at the top by winning 66-42. Warwick will travel to Hershey to complete the Districts Finals. After that we will also move on to the state competition. We would like to wish the Warriors the best of luck, and congratulate them on a great season that the seniors will always remember.

After getting off to a slow start in non-league action, the team, behind the leadership of Kim Kometa and Nikki Gochnaur, senior co-captains, finished tied for second place in section two and earned a playoff berth in District 3 AAA.

Considering the team was picked pre-season to finish fourth in the section and all five starters from the previous year graduated, this team was inexperienced and young to start out. But through hard work and dedication, once again the girls finished with another winning record. Thanks Kim and Nikki!

The varsity wrestling team finished the season with an overall record of 13-3. The team finished in second place in the Lancaster-Lebanon League, losing to Manheim Central in the season final. This was the twelfth year in a row that the wrestling team has wrestled for the Lancaster-Lebanon league title. During those twelve years the team has compiled an overall record of 162-17-2. At the Conestoga Valley tournament the following people were named champions: Lee Mastromatteo, Marc Kauffman, Pete Brubaker, Keith Morris, Brett Weit, Gene Delong, Jim Kiehl, and Mark Newcomer. The Christmas tournament champions were: Lee Mastromatteo and Mark Newcomer. Marc Kauffman was the only sectional champion at 132. The following placed second at sectionals: Lee Mastromatteo, Gene Delong, and Mark Newcomer. Chris Mitchell placed third and Brett Weit placed fourth. The captains were Steve Esbenshade, Gene Delong, Mark Newcomer, and Jim Kiehl.

The Spirit of Warwick High

A cheerleader's work is never done. No sooner is basketball season over than tryouts and practice begin again. The girls attend a week of cheering camp, and when they return home, work is started on signs to decorate the cafeteria and gym lobby. Once again this year, the cheerleaders sponsored a "Spirit Dance" to kick off the school year. Nicky Hilton and Julie Turano served as varsity captains this year. Gwen Stauffer and Julie Wiley were this year's junior varsity captains. Coaches for this year's squads were Karen Erb, Becky Hershey, and Marjorie Keener. Another school year has passed and the cheerleaders have done a great job drumming up school spirit among the teams, students, and fans.

Clap your hands everyone, and keep a steady beat.

Alright, I'm coming through now. Get out of my way!

On behalf of the administration and faculty at Warwick High School, I congratulate the yearbook staff for their many hours of hard work in producing this year's WARRIAN. In the years to come this yearbook will enable the students of Warwick High School to reflect upon their high school days. Upon looking back, I am sure the students will remember their favorite classes, special friendships, and the social activities which existed at Warwick High School.

I wish all the students the very best on using the knowledge they gained at Warwick High School to assist them on leading productive and fulfilling lives.

A Message to the Class of 1987

Will you find happiness and success? Many people say, "Give me success now, and I'll worry about the happiness later". Unfortunately, it doesn't always work that way. Unless one considers happiness before success, then the manner in which he achieves it may destroy him at a later date. Many people, in their rush to get to the top, forget what it takes to be happy. When they get there, they often then discover loneliness and unhappiness. Sadly they ask, "Where did I go wrong?" The answer is "probably at the beginning."

Seniors, as you leave Warwick and begin your life's work, make sure that your foundation is constructed on happiness, so that you may find success.

Congratulations to the *Warrian* staff for a job well done and best wishes to the class of 1987.

Teachers With Relative Warriors

The Yearbook Staff interviewed several teachers who have sons or daughters attending Warwick High School. The students listed several advantages about having a parent teaching at Warwick. First, if a son or daughter misses his or her bus, he or she has a ride to school or home. Second, if the student is enrolled in a class the parent teaches, it is easy to get help in that class. Also, having a parent at school makes it convenient to get money and signatures on permission and excuse cards. However, the students did list the following disadvantages. One was that other teachers and students may kid them. Also, if a student is in trouble academically or for disciplinary reasons, his parent finds out quickly. The advantages for teachers having sons or daughters in the same school as they teach at is that they can easily check with other teachers on how his or her son or daughter is doing in school. Last, a disadvantage for a parent, is that his or her son or daughter may complain about another teacher when the parent is really unable to do anything about the situation.

Another Talented Year . . .

As in the past, this year's talent show was great! The many hard hours the students of Warwick High School put into their talent really shows through in the annual Talent Show. From singing love ballads, to jamming out hard rock songs, to comedy acts, to dancing . . . This year's show was full of it all. Many new kinds of acts were done this year. The stand-up comedy act was one. Everyone showed great enthusiasm, so congratulations to the one who brought the act to our school. No matter what the act was or who was in it, all that were presented were fantastic! Everyone deserves a round of applause!

Disobeying school policy, Gene?

'Round and 'Round We Go

Richard Rodgers' and Oscar Hammerstein's musical *Carousel* was performed three glorious nights on the Warwick High School stage. March 26 through 28 was filled with excitement and anticipation as the cast and audience experienced another great musical by that infamous duo. *Carousel* is based around a barker who is working in a town carnival. The barker falls in love with a girl working at a nearby mill. Billy Bigelow, the barker, and the mill girl named Julie Jordan were played by seniors Eugene DeLong and Jill Downing. Carrie Pipperidge (Lisa Weidman) and her new beau, Enoch Snow (Don Mitchell), are friends of Julie. Nettie Fowler (Donna Groff), a kind and homely older woman, gives guidance and love to the two girlfriends. Problems occur when Billy and Julie decide to tie the knot. Billy's recent unemployment brings tension to the lovebirds. Billy decides to go to a conniving hustler, Jigger Craigin (Tony Horvath). Just as Jigger begins to convince Billy of a robbery scam, Billy's old boss, Mrs. Mullin (Nell Amidon), offers Billy his job

back. This eccentric carousel woman almost gets Billy back in her grasp, but Billy's love for Julie and the news of her pregnancy keeps him away from her. Unfortunately, he doesn't stay away from Jigger. Billy goes along with the evil deal of robbery because he is desperate for the money. When they are caught in the act, Billy kills himself because to him, the consequences seem too unbearable. The scene changes to that of Heaven, and a starkeeper (Chris Nagle) informs Billy that the only way that he can get through the Pearly Gates is if he goes to earth and gives a star to his now grown daughter Louise (Lauren Loercher). Billy, through many touching scenes, does give the star to her and one to his widow. In the graduation scene, the finale sings "You'll never walk alone" exuberantly. The stage direction was done by a determined and skillful Ms. Sandra Couch. The choreography was done by a talented Mr. Randy Martin. The orchestra was directed by dedicated Mr. Dale Weller, and Ms. Jane Pippart conducted the chorus and singers.

Fifty-four Inductees

During the 1986-87 school year the National Honor Society organized and/or participated in a number of service projects for the community. For example, at Thanksgiving some members used a local church kitchen to prepare a dinner for a needy family in the area. The next month, the NHS visited Lancashire Hall in Neffsville and sang Christmas carols for the residents. In April, along with the Student Government, the NHS hosted a Senior Citizens Tea. This afternoon included tours of the school, entertainment by Warwick students, and a social gathering with refreshments. On a bright, sunny Friday in May, a number of members spent the day at Manheim Central High School helping with the IU 13 Challenge Day. Challenge Day was a Special Olympics for area children with mental or physical handicaps. Throughout the day, NHS members were each assigned to a "Buddy." The student was responsible for getting the child to his events and then helping and encouraging him during his participation. Not only did the event bring smiles to the children, but it also was rewarding for the people who helped these special children have a challenging and fun day.

On Monday, May 18, 1987, the Warwick Chapter of the National Honor Society held the annual induction ceremony. This year fifty-four juniors and seniors were inducted. All fifty-four members had accumulated at least a 3.25 grade point average by the end of the third quarter of the 1986-87 school year. The ceremony was led by Jim Kiehl and included four student speakers, introduction of new members, lighting of the candles, and reciting of the National Honor Society Pledge.

Brad Zechman spoke to the audience about scholarship.

Jill Downing, Vice-President, spoke about the character of National Honor Society members.

The secretary of NHS, Elissa Long, spoke about leadership qualities of the students.

President, Jim Kiehl, starts the induction ceremony by lighting Angie Forry's candle to be passed on to Gretchen Byler.

SEASONS GLITTER IN CENTRAL PARK

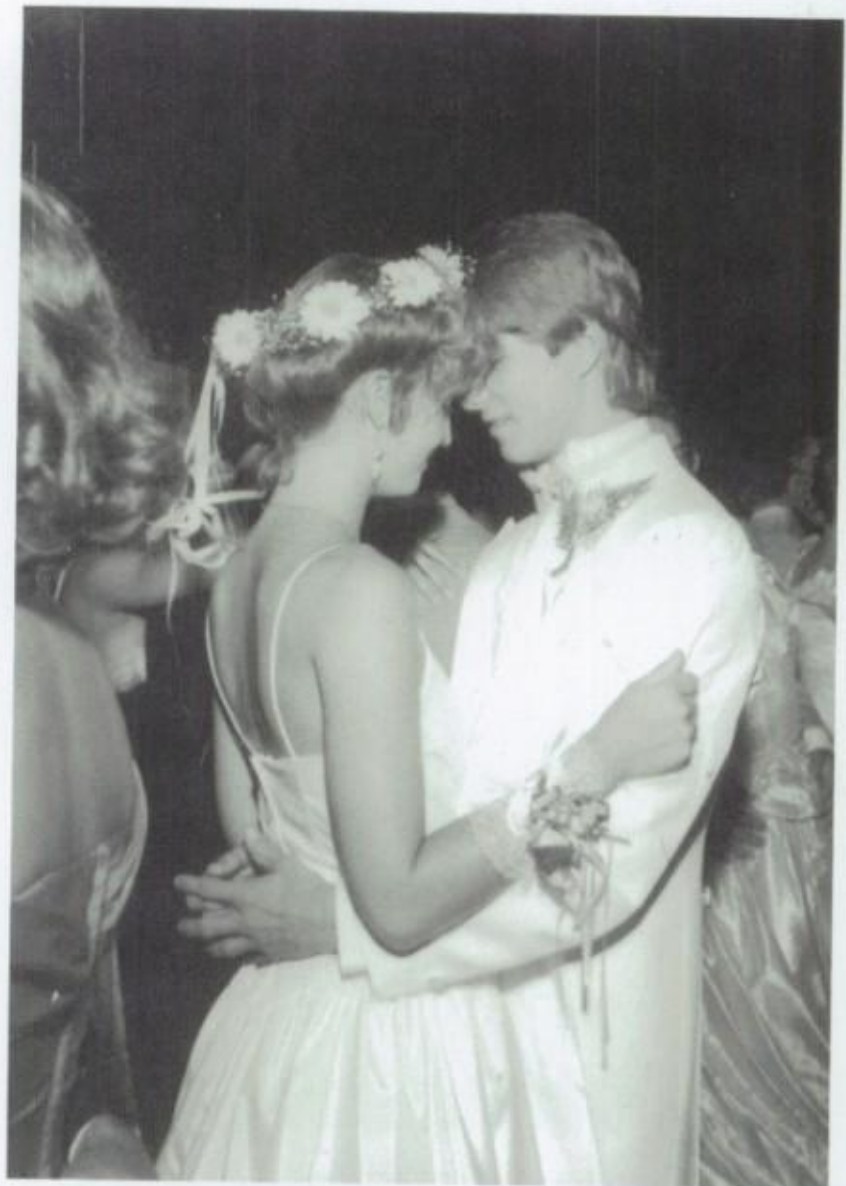

The Prom Queen, Nicole Hilton, and her escort dance the night away.

May 29th was a very exciting day for the students of Warwick High School who attended the 1987 Junior-Senior Prom. After spending most of the day attempting to perfect their appearances, the guests made their way, with impending excitement, to the Treadway Resort Inn, where the Prom was held.

Once there, everyone admired the glamorous garb of classmates and their dates, while they located their seats. Chris Mitchell, President of the Junior class, took the floor to thank the faculty and those who made the Prom possible and to wish seniors the best for the future. Attendants of the Prom waited patiently for the salads to be served which, however, proved to be a problem because the dressing seemed to end up on many of the expensive gowns and tuxedos. After devouring their leafy greens, the guests were served a dinner of Roast Beef, Oven Browned Potatoes, and Mixed Vegetables. Surely a few rowdy students suppressed the urge to fling his apple spice ring across the room at a friend and to maintain a proper etiquette for the evening. Dinner was followed by white cake decorated with Warrior Red and Black to satisfy those with a sweet tooth. The floor was then cleared of tables so the guests and many of the chaperones could dance away the energy accumulated while anticipating the Prom.

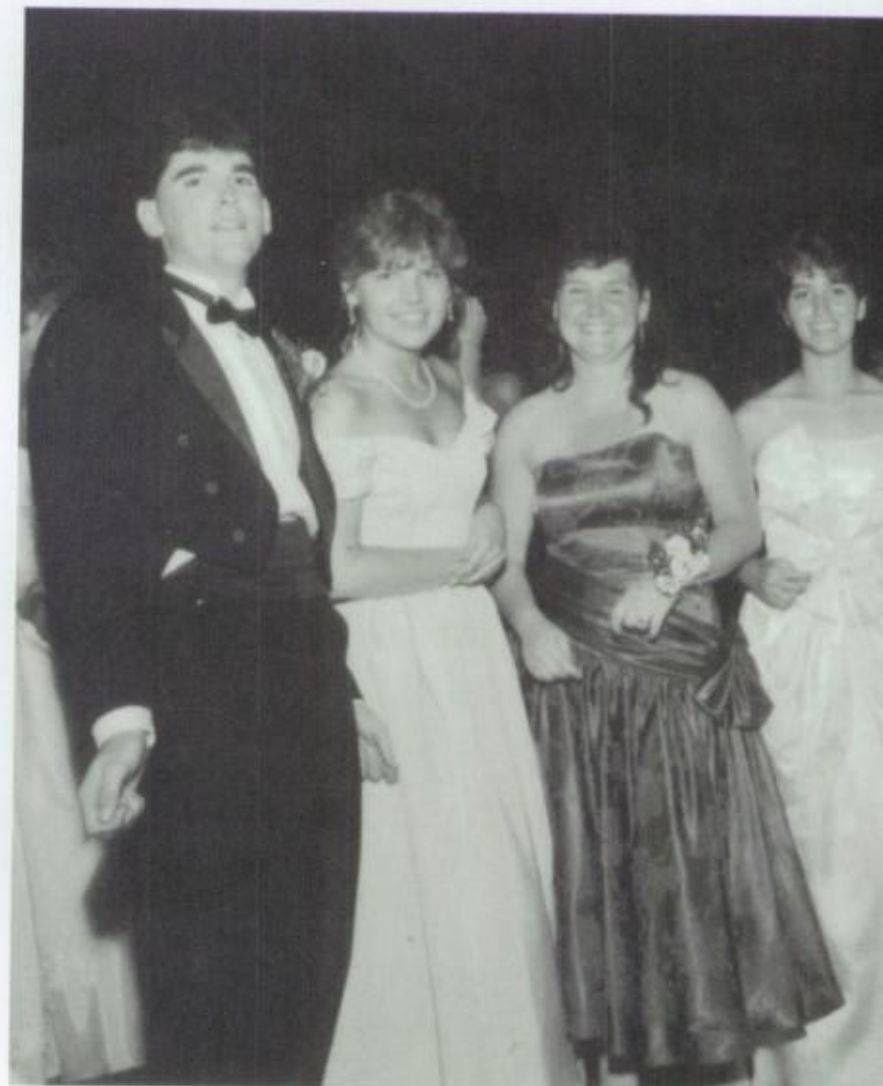

Once festivities at the Treadway had ended, the attendants of the Prom could participate in the Post Prom activities held at the High School.

Utilizing "Seasons In Central Park" as a decorating theme, several juniors had transformed the cafeteria and gym into a world featuring aspects of summer, spring, winter and fall. There, students were able to listen to music, dance, play sports, watch movies or just socialize. Naturally, food had to be available, and "Gretchen and Amy's Refreshment" supplied plenty of that — Beverages, Barbeque sandwiches, Popcorn, Snow cones and other various munchies. Five o'clock a.m. signaled the end of the Post Prom and also the end of a memorable event for the attendants of Warwick's Junior-Senior Prom.

Big Strides Towards Success

The Warwick softball team had a very rewarding season ending the year with an overall record of 13 wins and 5 losses. Despite losing 2 out of their first 3 games, the team was able to bounce back and win 12 out of their next 15 games.

The team was led by a group of five seniors: Missie Greenawalt, Michelle Levering, Kirsten Snyder, Sheri Styer, and Julie Teaman. Julie and Missie, returning starters from the 1986 squad, served as the team's co-captains. Missie led the team in stolen bases with 15 and also had the third highest fielding average on the team. Julie had the third highest total of stolen bases with 13 and performed steadily at second base. Michelle, Kirsten, and Sheri, though not starters, often came off the bench in key situations and greatly contributed to the team's success.

Other returning starters were juniors Maura Rowlands and Cathy Hevener. Maura, the team's third baseman, was tied for second in RBI's with 15. Maura also waited out the most walks with 20. Cathy Hevener was the team's all-around biggest individual contributor. Cathy, a natural short stop, played at pitcher and finished with an outstanding ERA of slightly over 2. Cathy also led the team in the field with the highest average of .987. In addition, she accumulated a team-high .468 batting average and also led the team with 10 extra base hits.

Another bright spot was the return of sophomore Jodi Musser to the lineup after recovering from surgery. Jodi showed a lot of determination and dedication and was able to return to the lineup as a DH.

In addition to these veterans, the team was greatly aided by some talented underclassmen. Wendy Kiehl, a junior, had a great year in the outfield with 15 runs and 13 RBI's. Tricia Haas, a sophomore, had a solid year at catcher and ended with the team's second highest fielding average of .971. Leslie Spangler, also a sophomore, playing her first year of softball had the third highest batting average with .417 and was tied for the second most RBI's with 15. Jill Musser, only a freshman, became the starting shortstop and did an excellent job throughout the season. Wendy May, another freshman, had an outstanding year. She was second in batting with a .451 average and she led the team in RBI's with 17.

A special congratulations to the 6 Warriors who were selected to the Section II all-star team. Warwick's only first-team selection was Cathy Hevener. Second-team all stars were Missie Greenawalt, Julie Teaman, and Wendy May. Wendy Kiehl and Maura Rowlands recieved honorable mentions.

This year's team finished tied for second place in their section with Elizabethtown, winning 89 percent of their games. With so many promising and talented underclassmen, the future of the softball program looks bright. Under the direction of coaches Terry Kauffman, Paul Droms, Pam Smith, and George Bealler, the 1988 version of the Warwick softball team should continue to attain more and more success.

— Wendy Kiehl

Maura Rowlands, a junior, watches intensely through her sun visors at the pitcher. She is guarding her third base cautiously.

Julie Teaman, a senior co-captain, holds her base down and is ready for action whenever the need occurs.

1987 Varsity Softball Team: First row — Heidi Balmer, Leslie Spangler, Cathy Hevener, Missie Greenawalt, Julie Teaman, Michelle Levering, Jill Musser, Second row — Meagan Miller, Wendy May, Tricia Haas, Maura Rowlands, Kirsten Snyder, Sherry Styer, Third row — Bethany Shotzberger Paul Droms — Assistant Coach, Wendy Kiehl, Jodi Musser, Terry Kauffman — Head Coach, Kim Smith, Varsity Manager.

TENNIS HAS REWARDING SEASON

The tennis team had a league record of 6-1, and second place in Section I. Their overall record was 10-4. They were led by the top 5 players: Brad Zechman, Mike Henderson, Chris Rush, Brian Geller, and Derreck Freesman. The section title came down to the last match of the season when Warwick and Cedar Crest met. Both had 6-0 records, and the match was a close one. When it was over, Cedar Crest had a close 4-3 victory and the section title. Brad Zechman had an outstanding season with a record of 14-0. Chris Rush at 13-1, and Derrek Freese man at 9-2, also had excellent years. Seniors Brad Zechman, Brian Geller, and Derreck Freesman will be missed, but Mike Henderson, Chris Rush, Noel Poirier, and Andy Allwein will return from the top 7 positions.

Running Wild

The sleek, lady runners of Warwick did well this past season. Their overall record was 8-5. Fifteen of these healthy athletes qualified for Districts in all areas of the sport. Kim Kometa, a senior, was selected for her splendid high jump, two relays, the 800 and the 400, also qualified. Jill Althouse and Heather McCloud both qualified in the 100 meter and the 200 meter run. Both girls also qualified in the 4x100 along with Michelle Weinlick and Kim Buckwalter. The four girls that qualified for the 4x800 were Sonya Weber, Glenda Patchett, Kelly Graybill, and Amy Herr. All in all, the team worked hard and had lots to show for their efforts.

Soaring over the bar is Kim Kometa in her famous high jump.

Megan Altemos leaps over a hurdle determined to place first.

Heather McCloud breaks through the finish line first in this relay.

Another Fine Year For Baseball

Varsity Team, Row 1: Darin Brinkman, Shawn Ober, Craig Shelley, Troy Peters, Jeff Mancil, Steve Keener, Jamie Weachter, Scott Bauer, Drew Eckert; Row 2: Alfie Gardner, John Powell, Mark Will, Troy Risinger, Eric Arcudi, Curt Wilson, Troy May, Tom Eberly, Coach Frank.

The 1987 Warwick Varsity Baseball team has had another fine year with several letterman returning to make a great season. The Co-captains of this year's successful team, Troy May, Tom Eberly, and John Powell, led the team with tremendous leadership. They finished with a Section championship, to make it the third time within the past five years. Seven seniors have said goodbye to the team, but with a little luck, next year's team will do just as well.

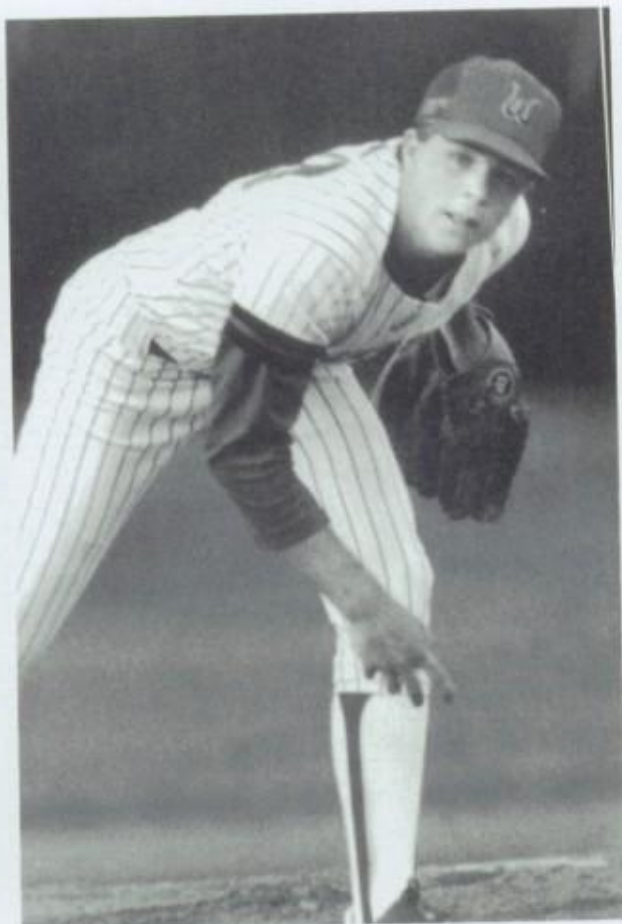

Come on ball! Get in my hand!!

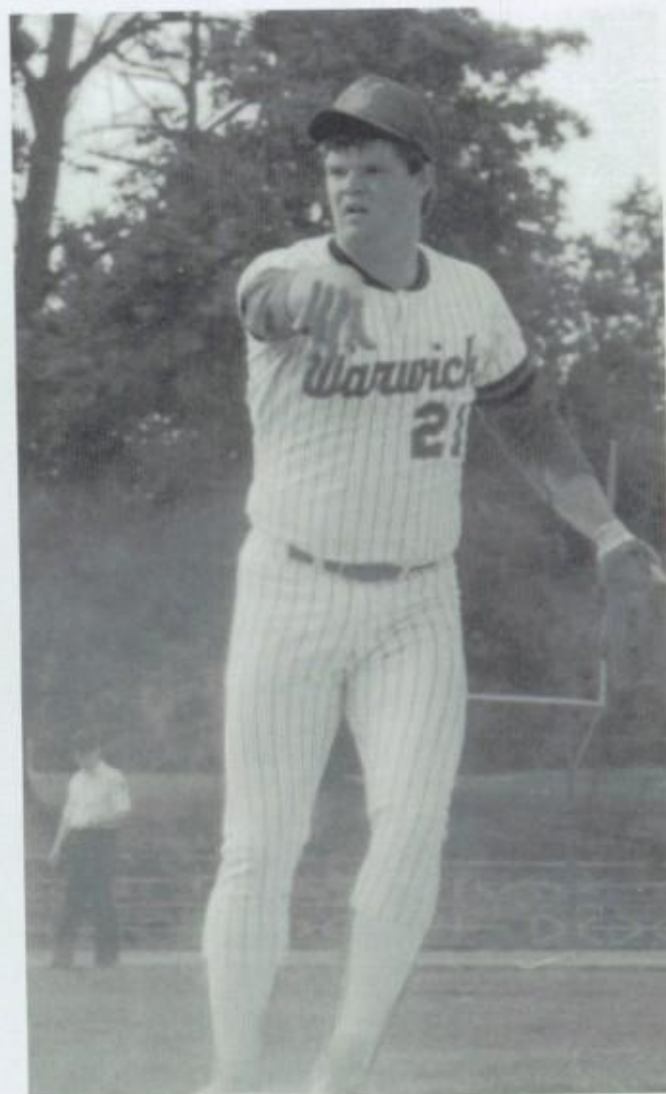

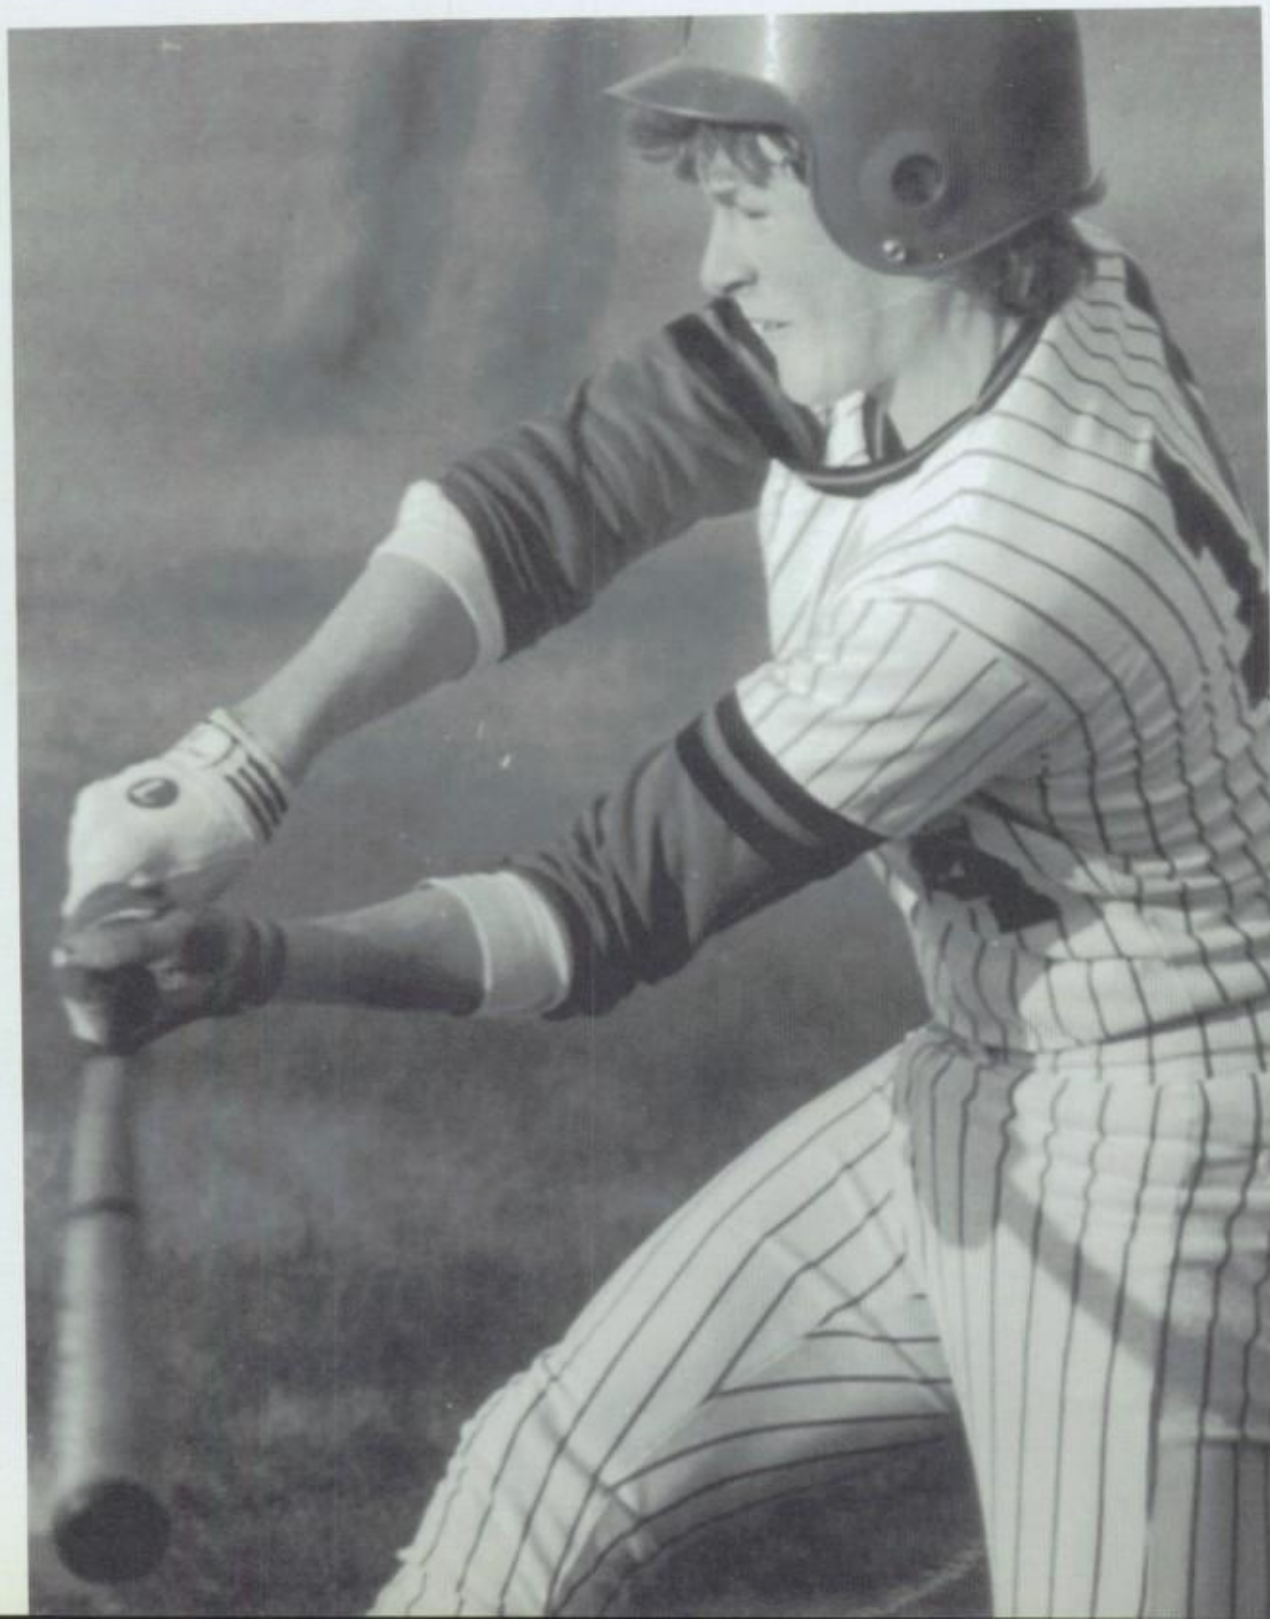

I can do it if I try.

Building Season for Track And Field

This season has been dubbed a "building season". The team has seen the graduation of many seniors, the return of talented underclassmen, and promising freshmen. The season was highlighted by the setting of a new school record by Chris Knight. He broke Rich Mulligan's 1969 record of 12' 3" by jumping 12' 6". John Kurtz, Chris Knight, and Tim McCreary were the top scorers for this year. The team had two members qualify for District. Tim McCreary qualified for the pole vault. A non-league record of 4-5, and a league record of 4-2 gave the team an 8-7 overall record. This put them in a second place tie for the section.

Chris Martin, a striving junior, gears up with his javelin in hopes of capturing the new school record throw.

Scott Weitzel and Mike McCloud listen intently for the starting gun to sound, and "off they'll go into the horizon."

Chris Knight, a valuable asset to the team, demonstrates his record breaking pole vault.

Scott Weitzel assures himself of a hopeful easy victory.

Model U.N. Debates

The British, the Russians, the Chinese are coming! Is Warwick High School being invaded? No, but there was a battle waged, that is, with words over the major issues facing the world today. On Wednesday April 29, Warwick High School hosted a Model Security Council Debate. This debate was sponsored by the Warwick High Model United Nations club. The council held in the auditorium was modeled after the Security Council of the real United Nations based in New York City. The delegates from five area high schools represented nations that are members of the Security Council for 1987. The Schools participating were Linden Hall, Manheim Central, Manheim Township, Penn Manor, and Warwick. The countries represented were as follows: Austria, Bulgaria, China, Congo, Denmark, France, Ghana, Madagascar, Thailand, Trinidad and Tobago, United Arab Emirates, The United Kingdom, The U.S.S.R., The United States, and Venezuela.

Starting off at 9 a.m., the 35 participating delegates presented resolutions containing solutions to such problems as Afghanistan, Central America, South Africa, Iran, Iraq, and other pressing issues facing the community of nations today. All the debates did an excellent job in representing their country's views on the issues.

Symphonic Tunes

Spring came along and held many great presentations. One was the Symphonic Band Concert on Thursday, April 23. "Tribute to Irving Berlin" by Berlin/Barker, "Americana" by Frank Erickson and the theme from NBC news, "The Mission" by Williams/Curnow were included in this production. The conductor was Mr. Steven McMillan and Mrs. Heidi Limbert assisted. Some highlights of the evening were solo performances by Ken Burkholder on trombone, Heather Auman on flute, and Kevin Dodge on synthesizer.

The Warwick Symphonic Band is applauded for their entertaining spring concert.

Florida Here We Come!

After many months of planning and waiting, the day finally arrived. On a cool Saturday morning, May 23, 1987, approximately one hundred and forty seniors arrived at the high school around 4:15 a.m. This was no ordinary Saturday for a bunch of Warwick High School seniors; this was the day they would depart for their class trip to Florida. The students were welcomed at the high school by several brightly lit motorcoaches. Once they finished unloading their luggage from their cars, they chatted with friends about the upcoming trip. Students soon found themselves seated in the motorcoaches, anxiously waiting to leave. But before leaving the school, each senior was handed a crisp five dollar bill from one of the class officers. This money was the extra amount that was left in the class treasury. Finally, the motorcoaches departed around 4:30 A.M. for the Philadelphia Airport.

The motorcoaches arrived at the airport around 6:30 A.M. After getting off the buses, there was a lot of commotion as students hurried to get their luggage from the buses and go inside the airport and receive their tickets. Once inside, however, the class waited awhile until all students received a flight ticket. When everyone had his ticket, the class started to board the jet. Unfortunately, there was a short delay in the take-off time. Before long, though, the airplane was taking off into the blue sky. As the plane took off, the seniors clapped. After being served breakfast, the passengers were permitted to get out of their seats and socialize with fellow classmates. Once during the flight, however, the plane did encounter a little turbulence, and passengers were instructed to return to their seats and fasten their seat belts. After about a two hour flight, the airplane touched down at the Orlando Airport. As the seniors stepped off the plane, they could immediately feel the hot Florida sun baking on them. The students then proceeded to the baggage claim area to secure their luggage. It seemed like forever until everyone received his luggage. Next, the seniors loaded their luggage on buses, and soon the group was on its way to the Days Inn Motel in Orlando.

After a half hour drive from the motel, the class finally arrived at the Walt Disney World Magic Kingdom in the early afternoon. From that time until 10:00 P.M. the students were free to explore the Magic Kingdom. Students and chaperones enjoyed a day filled with laughs and screams as they rode the many exciting attractions at the Magic Kingdom. At 9:00 P.M. the vacationers witnessed a spectacular electric light parade. On the way back to the motel students talked with enthusiasm about the great day they had. Back at the Days Inn, the seniors had a pizza and pool party. The first day of the trip was already over.

On Sunday, the group had breakfast at the motel and then left for a splash-splashing eight hour day at Wet & Wild. Here students could lay out on the chaise lounges and get a tan. But the best part was that then they could go on any of the many waterslides and even a giant wave pool. Some also played volleyball. After the day in the sun, many people had tans and some unfortunately were sun burned.

The next day was spent at the Disney World EPCOT Center. Throughout the course of the day, students visited World Showcase, which includes shops and exhibits that give people the feeling that they are really in the countries that are portrayed there. One of the highlights of World Showcase was the American Adventure, which through audio-animatronics, Ben Franklin and Mark Twain present a dramatic and inspirational story of our country and its people. The seniors also were amazed at Future World which includes six different attractions. These attractions are presented by major American corporations. They show how technology developed what we have now, but more importantly what technology is developing or will develop in the future. The six attractions are about communications, energy, transportation, the land, the sea, and imagination.

On Tuesday morning the seniors awoke to the fact that this was the last day of the class trip. But they sure made the most of the day at Daytona Beach. Before they could leave for Daytona, however, they had to have their rooms in good shape for when the chaperones came to make room checks.

After all rooms were checked, the class boarded the motorcoaches for Daytona Beach. When the class arrived in Daytona after a one hour and a half drive, they were ready for a fun filled day at the beach. Throughout the afternoon they swam, shopped on the boardwalk, and some people even rented Doon Buggies to drive down the beach on. Before long, though, it was time to pack up and shake the sandy blankets out. The sight-seeing was officially over. Now it was time to get back on the bus and drive to the Orlando Airport, where the group had a 9:00 P.M. flight back to Philadelphia. By the time the plane landed at Philadelphia Airport, most people were exhausted and just wanted to get home. The wait on the buses was long, until all luggage was secured. Finally, the group departed Philadelphia and arrived in Lititz around 2:00 A.M. on Wednesday, May 27. All in all, this was a trip the senior class of 1987 will remember for many years to come.
